### God Spot.

A belated Happy New Year. I was chatting to some people and the topic of holidays came up, which took me by surprise as I am still enjoying Christmas. But it set me thinking about white sands, palm trees and blue sea, which was rudely stopped by the phone ringing. It was our Norwegian friends telling us how lovely it was over there, with blue skies, -12C and 3 foot of snow. I immediately went back to dreaming about white sand, palm trees and blue sea. My truthful thinking is that I don't want to think about holidays yet as I like to savour the time I am in first, before jumping ahead. This also got me thinking about food. You may ask how this links in, but bear with me. I think back to when I was a young lad (not that long ago really) when we had certain times of the year when certain foods were only available during their season. For example; strawberries, lettuce, other salad stuff, oranges, new potatoes, etc. When I think back I remember them as tasting much better than they do now. I don't know if that is because you only had them at certain times and now you can have anything at anytime. Anybody else think this way or is it just me being nostalgic? I am not complaining because I know that God gave us the land and the knowledge to grow our food. He gave us the advances in our technology to produce food 'out of season', in fact he has given us everything. But what we have not done is use our intelligence to the best use. We can manufacture computers, we can produce fantastic effects on the cinema screen, we can send men into space – but why can't we cure the cold or cancer, feed the hungry and talk instead of fight? We've got something wrong somewhere. God put us on this wonderful planet, gave us the tools to do something with it – we just don't appear to have found out how to prioritise our needs as humans yet. Lord help us.

Love and God Bless

### Joke Spot:

*Little Johnny was the local Vicar and it was his birthday; the congregation decided to give him a new suit. He was so touched by the gift that the following Sunday he stood before everyone and, with tears in his eyes, announced, "Today I will be preaching to you in my birthday suit." The congregation immediately left the building!*

Growing old is inevitable, growing up is optional.

## NEW YEAR 2018

### **A personal reflection on Christmas and Epiphany.**

I know that for many of us 2017 was a particularly difficult year. It certainly had its moments for us and I know that there were traumatic moments for friends locally too. At such times I try to find hope in the tried and trusted, and the traditions which we celebrate at Christmas, Epiphany and New Year. It is tempting to feel that realism tells us to expect more of the same; and on the political front that would be a reasonable expectation. However the Nativity and Epiphany stories together with St. John's deeply felt interpretation encourage us to expect far more than the same again.

The survival of the Holy Family is a continual source of wonder to me, and how they were supported on their way and were receptive of the word which called them back from Egypt!

The Magi, whoever they were, were intelligent, persevering and courageous enough to change their minds and their direction. T.S.Eliot's Magi knew that 'the old dispensation', in the light of the Christ- child was no longer safe.

What is safe is to seek the new in the Word made flesh as John reveals him to us.

I enjoyed our traditional celebrations, including the children's take on the Christmas story, but as I see a fragmented and uncertain Church and world before me I find comfort, security and hope in Louise M. Haskins's often quoted words:

And I said to the man who stood at the gate of the year:

'Give me a light that I may tread safely into the unknown.'

And he replied:

'Go out into the darkness and put your hand into the Hand of God.

That shall be to you better than light and safer than a known way.'

My prayer for all of us is, that where there is fragmentation the pieces will come together in the light of The Word made flesh.

With best wishes for 2018,

***Robin Blackall***

## COUNTRYSIDE NOTES

If you happen to be in the company of farmers you might feel you need an interpreter for they speak a language of their own. For instance in the north a ewe is a *yow* and a *mule* is a cross-bred sheep. For the uninitiated I will attempt to interpret.

There are probably more terms used by sheep farmers than in any other sector of the farming industry. A *cade lamb* is one that is hand reared. Between December and its first shearing a spring born lamb is known as a *teg*, *hogg* or *hogget*. For the following twelve months it is described as a *shearling*. *Theaves*, *gimmers* and *chilvers* are young female sheep while a *wether* is a mature castrated male. Rams are often called *tups*. Sheep that have damaged or missing teeth are known as *broken mouthed* and *draft ewes* are those sold off when they are no longer productive. A *cast* or *couped* sheep has rolled onto its back and can't get up. *Keep sheep* are those kept on a temporary basis, usually ones taken off marshes and hills for the winter. A *heft* or *heaf* is an unfenced territory on open hillside naturally occupied by a specific group of sheep.

When it comes to cattle a *heifer* is a term used to describe a young female until the time she gives birth to her second calf. A *steer*, *bullock* or *stirk* is a castrated male. *Polled* means hornless and a *freemartin* is a female born twinned with a male and is invariably infertile.

A *gilt* is a young female pig and to *farrow* means to give birth.

A *colt* is a male horse under four years old and a *filly* is a young female of a similar age. A *gelding* is a castrated male. The *withers* are the shoulders and a *hand* is a measurement of four inches.

In general terms a *hybrid* is a mix of breeds, a *store* is an animal that requires fattening up and a *cull* is one to be disposed of. To *flush* means giving an animal additional feed to boost its condition and a *lick* is a solid nutritional or mineral block. If an animal is said to be *served* or *covered* it means it has been mated. It's compulsory for all farm animals to be fitted with *ear tags* to identify not only the individual but also which herd or flock it belongs to, thus guaranteeing traceability. *Freeze branding* provides permanent identification by using liquid nitrogen to painlessly turn the hair white.

Arable farmers talk about *drilling* which means sowing, *headland* which is the strip of ground around the perimeter of a crop, *artificial* is fertilizer and *top dressing* is applying manure or fertilizer to the land. *Silage* is compressed and fermented fresh grass stored for winter feed.

Commonly used abbreviations are *CAP* - Common Agricultural Policy (EU), *FDM* stands for Foot and Mouth Disease, *AI* for artificial insemination and *POL* for point of lay in poultry

## MAGPIE CENTRE NEWS

### The Hunt Is On!

As the Magpie Centre, home of West Norfolk Riding for the Disabled Association, bounces into 2018, the hunt is on for a Trustee Treasurer. This voluntary post would suit somebody with a good knowledge of accounts, plus the desire to support a well-established local charity and become a member of a close-knit and loyal team.

Knowledge of horses or of people with disabilities is not required.

The Centre, located in the beautiful grounds of Wallington Hall, South Runcton, PE33 0EP, has 13 equines, a staff of five, provides 114 rides and 30 carriage driving lessons a week to people of all ages and with a wide range of physical and learning disabilities.

Volunteers are also needed in other capacities:

- a) Hands-on with the horses in the form of grooming and helping with rides. Training will be given for this.
- b) Giving a hand with DIY tasks around the Centre and supporting the catering team at events.

If you feel that any of these roles might suit you call the Centre on 01553 810202 or West Norfolk RDA Chairwoman Rosie O'Grady on 01366 500104.

For a new challenge to welcome the New Year, why not make that call?

As we went to press, the Centre was anticipating delivery of a new ride and drive pony, recently retired from top-level competition, which should enable the more ambitious RDA carriage drivers to fulfil their ambitions and the available slots for riders and carriage drivers are filling up fast.

First social event of the year is a Quiz Night with Hog Roast supper (plus vegetarian option), scheduled for Saturday, March 3 at Stowbridge Village Hall, Downham Road, Stowbridge PE34 3PE.

As our "regulars" already know, and "newbies" will find out, these evenings are huge fun and the ticket price, held at £10, includes the hog roast, plus a vast array of salads and desserts, while a good range of questions and convivial atmosphere are guaranteed.

Doors open at 7.00 pm for a 7.30 pm start and a cash bar will serve beer, wine, cider and soft drinks. Teams of 4 to 8 are usual, with singles and couples welcome to make up teams on the night. For more information, or to book your tickets, call 01553 828935 or email [c.dudley@success-in-english.co.uk](mailto:c.dudley@success-in-english.co.uk).

## **SWAFFHAM & LITCHAM HOME HOSPICE SUPPORT**

Peter Harris's sponsored coastal walk for our Charity and Swaffham Rugby Club, raised a total of, including Gift Aid, £1,500.00. That is a phenomenal amount and we must congratulate Peter in completing this mammoth event and importantly all those who came forward to support him with their donations.

Once again one of our supporters Julia Willis along with her family and friends staged a Craft Fair at her home and raised £230.65. The Home Hospice pass on their thanks to all those involved, well done. If you would like to organise an event for us we will always assist you with advice. Just give us a ring on 01760 722937 where one of the office staff will be only too happy to answer any query's you may have.

The annual Charity's Raffle which is held leading up to the festive period was staged in the Town and Tesco culminating in it being drawn at the Store. We are once again indebted to you all for purchasing tickets in support of our work and early figures indicate we are on course to match last year's total. We would like to take this opportunity in thanking Tesco and their staff for their continual commitment in allowing us to sell tickets within the Store.

We are once again represented with the Charity's Christmas tree in St Peter St Paul Church, Festival of Trees. The ever popular event has witnessed many visitors enjoying the spectacular show that Organisations put up during the course of a week.

Our ever popular Quiz is being staged March 2nd at the Conservative Club- 7.30pm start - teams of up to 6 people - £5.00 per head. Queries please contact Adrian Adcock on 01760 724304 or [Adrian.adcock@talktalk.net](mailto:Adrian.adcock@talktalk.net) to enter a team.

Have you ever thought of volunteering? Do you have some free time? If so we are looking for volunteer drivers, to take patients to hospital appointments or small trips. If you would like to find out how you may be able to help, give Wendy a call on 01760 336645. Why not visit our website

[www.swaffhamandlitchamhomehospice.co.uk](http://www.swaffhamandlitchamhomehospice.co.uk) for further information.

Our Coordinator, Wendy Martin, Staff and Volunteers wish to thank all their supporters for their continual support and look forward to another year in carrying out the work we so passionately do but rely on your generous donations in allowing us to continue.

Once again our annual Christmas Draw was well supported by you all, to which we truly thank you for purchasing tickets. We must once again thank Tesco for allowing us to sell the tickets in their foyer over the course of a week. The first and second prizes were won by Swaffham residents, with the third winner living in Narborough. After costs the Draw made a total of £1,600.00

## SWAFFHAM & LITCHAM HOME HOSPICE SUPPORT

Ashill WI once again held their Carol Concert in the Village in aid of the Hospice raising the phenomenal amount of £356.00. The Staff of the Charity would like to thank you for your continual support to us.

The Tree of Lights Service was well attended and we hope that it was a service that brought comfort and support to those who came. The donations from this bereavement event raised the sum approximately £6,000.00, which will go a long way to help us to continue to provide our free services within the local community. We would like to give our sincere and heartfelt thanks to all those who contributed.

In the USA and indeed some of other countries, many towns organise a "Relay for Life" event where teams of families and friends of cancer patients and survivors participate in a sponsored walk around a fixed circuit, raising monies for cancer charities, with each team having at least one member walking the circuit at all times during the specified hours. We will be holding an event in Swaffham on Sunday 17<sup>th</sup> June 2018, along the same lines with teams from the local community obtaining sponsorship to support the Swaffham and Litcham Home Hospice. The event, known as **Relay Together 2018** will be staged at Swaffham Rugby Club on North Pickenham Road, Swaffham. In addition to the Sponsored walk, we are also planning to have stalls, refreshments, a BBQ, a Summer Draw and possibly music; the Rugby Club will also open their bar for liquid refreshments. There are two pitches at the club and it is our intention to use the lower pitch perimeter as the walking track with the upper pitch being used for the other activities planned.

We are pleased to announce that Beverley Foulkes and one of her colleagues from the Green Parrot of Swaffham are running the London Marathon primarily for the St John Ambulance nationally with a set total and any other monies raised above that total will be donated to the hospice. The Staff of the Charity wish them luck and thank them for considering us.

For the last thirty years we have been providing practical and emotional support to people with cancer and other life limiting illnesses. We offer a wide variety of services which are provided free of charge. To enable us to do this, we need to raise around £100k per annum from fundraising and donations. If you would like to know more about the services we provide or would like to consider becoming a volunteer then please contact the Home Hospice Team at 17-19 Brocks Road, Echo Tech Business Park. ### **FREE HOME ASSESSMENTS ON OFFER**

Older, disabled or vulnerable residents of West Norfolk are being encouraged to book an appointment for a free home assessment from Careline Community Services.

The assessments, which are carried out by a team of qualified staff, will help residents, who may be living with a disability or dementia, or who are simply older and less mobile, to identify concerns in their property which may be affecting their day-to-day life. The assessor, trained by the Disabled Living Foundation, will inspect the home to see whether measures could be introduced that would reduce the possibility of slips, trips and falls and generally make it easier for people to live safely and independently in their own homes. Measures that could be considered include installation of a Careline personal alarm, improved lighting arrangements, heating checks, draught proofing, smoke detectors and easy-to-use taps along with recommendations for other adaptations that may reduce any potential risk to the resident. Practical solutions for those living with dementia are also available, this includes signage or colour differentiation for those who suffer with memory loss and are visually impaired.

The assessors will also be able to advise whether any grant funding is available for any works required.

To book an appointment call the Careline Community Team on 01553 760671

## COULD YOU HELP A YOUNG PERSON WITH A DISABILITY TO THINK ABOUT THEIR FUTURE?

The CSV Futures Project supports young people with learning disabilities to explore their options as they think about leaving education.

Volunteer Mentors provide one to one support to a young person to help them develop a personal profile of their skills and interests, their likes and dislikes and their future goals. The Mentor can then support the young person to start working towards these; this can include accessing work experience and training opportunities plus the chance to try out volunteering and new social activities.

CSV needs volunteers who can offer a couple of hours of their time each week to mentor the young people as they make choices about their futures, raising aspirations by exploring together the young person's skills, interests and abilities.

We are looking for people ages 16+ - Mentors can come from all walks of life and no experience is needed but patience, the ability to listen and a sense of humour are all useful skills. Mentors receive full training and support and out of pocket expenses are paid.

If you would like to find out more about becoming a Volunteer Mentor for the CSV Futures Project please contact:

Vicki Howling, the project co-ordinator for an informal chat.

## **BARTON BENDISH & EASTMOOR VILLAGE NEWS**

### **Wreath Making**

What a fantastic 4 sessions of creativity we had this past November in the village hall. Over 100 ladies came and made wreaths from local foliage along with the many ribbons, bells, baubles and lights that some brought. Confidence is growing and ladies are making some truly beautiful wreaths. We must have the best decorated doors this side of Downham Market! It was lovely to have Fiona Robinson and her Pheonix Cards and gifts, sadly for the last time. Thank you for all your support these last few years Fiona. Many thanks to Elizabeth for her help with refreshments and for her creative expertise. What a talented lady you are. We are going to miss you so very much. Thank you to Joan for the constant supply of her delicious mince pies. Anyone who had one was heard to say that they were the best they had ever had and we agree! A big thank you to our suppliers of foliage from around the village. We could not have the evenings without your generosity.

Finally, thank you to all who came and made a wreath. We hope you had as great a start to the festive period as we did. Just over £1600 was raised which is amazing and gratefully appreciated.

***Mhari Blanchfield and Linda Webster***

### **Christmas Fair**

Barton really got into the festive spirit on November 25th when the Christmas Fair took place. The Village Hall was decked out with decorations and was a hive of activity all afternoon. The stalls were laden with gifts being offered for sale and the star attraction was the home grown and homemade stall heaving with all manner of goodies made by Mary and Tiv. There was also a raffle with some excellent prizes and guess the weight of Nic's Christmas cake which turned out to be 3lbs 8oz. The afternoon teas proved very popular.

On behalf of the Village Hall trustees I would like to thank Mary, Tiv, Elizabeth and their helpers for all their hard work in organizing the event which raised a magnificent £470 for Village Hall funds.

***Jill Mason***

### **Christingle Service**

I had never been to a Christingle service before I moved to Barton Bendish. What had I missed I asked myself. The first one I went to was 'nice' but just a church service. What a difference a new vicar can make! A different kind of 'do it yourself' service where congregation participation was the 'game' of the day.

## BARTON BENDISH & EASTMOOR VILLAGE NEWS

With the service on a screen in front of us, all written out with our replies in a different colour, we were told "If you don't reply loudly enough I will start the service again and again until you do." This got our attention straight away, with clear loud replies.

Next came 'choose your own carols' with a carol sheet and music provided by a CD player. This was then followed by a competition of two teams, one of ladies and the other of gentlemen. This was won by the Ladies (with a little bit of help from a 'cheating vicar' hiding some of the 'parts' for the men's Christingle.) This was followed by a tape of guitar music and hand clapping to warm us all up, after which we lit our 'Christingles' and sung another carol. Then Ken told us the story of the Nativity in his own words. This included the names of lots of chocolates and biscuits. Each time we heard the name of a chocolate or biscuit mentioned we replied "Yeah" to which sweets were 'rained' on us from 'above'. I don't think anybody realised how quickly an hour can pass when you are having fun.

So please anyone who didn't come in 2017 make a note in your diary to come in 2018 and bring your children and grandchildren to join in the service.

May I also take this opportunity to wish everyone a very 'Happy New Year'

**Anne Parker**

### **Victorian Evening.**

This Christmas our Victorian Evening proved to be more popular than ever and the audience was treated to a warm welcome and an enjoyable evening of mixed entertainment. People came from far and wide and not only from surrounding villages. Four generations of the Horn family came from King's Lynn and even a couple from as far afield as Nairn, in Scotland! Our fame is definitely spreading! Queen Victoria once again graced Barton with her presence by opening the proceedings and this time she was accompanied by her husband and consort Prince Albert of Saxe-Coburg. It is not often that famous personalities come to visit our village but this year we had two for the price of one, certainly cause for celebration.

Rev Ken Waters acted as MC for the evening and began by assuring us that his somewhat seasonal Christmas tree jumper,

## **BARTON BENDISH & EASTMOOR VILLAGE NEWS**

complete with bells attached, represented the fact that it was Prince Albert himself who first initiated the tradition of celebrating Christmas with a decorated fir tree. To begin the choir, now very much a part of village entertainment, treated us to four songs. They have gone from strength to strength and their dedication and professionalism reflects the hard work they, under Lissa's guidance, have put into perfecting their act. This was followed with a selection of monologues and poems, including one by lay preacher Ray Burman titled 'Blame the Vicar'. These were interspersed with sing along carols. David Milburn very kindly provided musical accompaniment throughout the evening. and, as usual, the Singing Shepherd took time away from his flock to put in an appearance and the entertainment was brought to a close with the choir's excellent rendition of the 'Christmas Lullaby', followed by a prayer and blessing from Rev Ken and audience participation in 'We Wish You a Merry Christmas'. Finally mulled wine and snacks helped everyone face the sub zero temperatures that met them when they left the warmth of the Village Hall. What a fun evening – it just keeps getting better and better! **Jill Mason**

### **Carol Singers**

If there's one thing for me that makes Christmas it is the carols; not the turkey, pud and mince pies, although I must admit to liking them as well! It was lovely to listen to the members of the choir when they came round on the evening of December 21st which fortunately was dry and not too cold. Although the village is small it's still a long way for them to call at each house. I'm not sure how far they got but I was so pleased that they called at ours. **Jill Mason**

### **David's Calendars.**

Once again David's calendars were a sell out and he was delighted to be able to send off a cheque to Marie Curie for £260. Thank you to everyone who purchased them.

### **Snowdrop Walk February 11th at 2.30pm**

David is repeating the guided historic walk of Barton Bendish 'In the Footsteps of Mary Caney' he organised as part of our Literary Event last September. This time it is combined with a 'Snowdrop Walk' which will be approximately a mile in distance and is in aid of St Andrew's Church and the Village Hall. We will meet at the Village Hall (PE33 9GF) at 2.30pm and the cost is £5 per person which includes tea and cake afterwards. There is no charge for children and dogs are

welcome if kept under close control. The Village Hall will be open from 2.00pm onwards and throughout the afternoon in case anyone doesn't feel fit enough to participate in the Walk. Please provide a contact number in case there is a need for us to cancel email [jill.events@btinternet.com](mailto:jill.events@btinternet.com) or phone 01366 347928

## **Barton Bendish Film Club Presents 'Dunkirk' Saturday February 24th**

The 2017 film 'Dunkirk' portrays the evacuation of Allied soldiers in 1940 from three perspectives: land, sea, and air. It has little dialogue which is intended to create suspense from cinematography and music.

As usual, please reserve your seats by calling 01366 347849 or through the Barton Bendish Film Club website. (Join our mailing list using our 'contact us' webpage for details and timings of all our screenings.)

Start 7:00 pm at the Village Hall and we look forward to seeing you then.

## **Village Hall Update**

Emergency measures have had to be taken to make the floor safe in the Village Hall. The first Saturday morning in December saw Robin Simon, Chris Parsons, Anthony Blanchfield and David Mason working very hard cutting out and laying sheets of plywood, kindly donated by Albanwise, over the existing floor. It might not look very smart but it is functional and, thanks to them, ensures the Hall can continue to be used safely for events until the floor can be fully replaced.

The Trustees of BB Village Hall are keen to apply for Lottery Funding and further grants to improve the condition of the building and to improve facilities for the disabled, the elderly and the hard of hearing. The process is at a very early stage but concerns about the condition of the floor, insulation, damp and heating have led Trustees to believe that they have a very good case. Also under consideration are: extending the building and improving kitchen facilities. Once the process is under way there will be comprehensive consultation with the local community. The Trustees of the Village Hall are eager to canvass the opinions and suggestions of the local community. At the appropriate stage, a public meeting will take place. In the meantime please let us know your thoughts. If villagers are willing to actively register their support we are more likely to achieve some, if not all, of our goals. The Village Hall is such a huge asset.

## BARTON BENDISH & EASTMOOR VILLAGE NEWS

### Barton Bendish WW1 Commemorations

One thing I am really looking forward to next year is the village commemoration of the passing of a century since the ending of the Great War.

One simple idea which appeals to me is the idea, not my own, to turn Barton Bendish red – with flowers – for as much as possible of 2018. It would be very impressive if, during the Open Gardens Day, many of Barton's houses featured red flowers, including poppies, in their front gardens. It would be a simple gesture to show that our village, like many, will remember them.

Recently, in Cambridge, I heard of a scheme where men dressed up in khaki to make a DVD about the men who went to war from a particular village. Each person told 'their' story and explained their experiences. We have enough information in David Mason's book about the men of Barton who went to war – but do we have enough people prepared to do some simple role play or enough technical expertise to make a film? It's an interesting idea I think. We just need a film maker!

Of course, the chief project will be the compilation of a book featuring WW1 stories known to us. I wrote last time about my ancestor, John Hayward Hunt, and one of my readers provided me with a lot more information which no one in the family knew. He died at a place called Aba Abia in Nigeria, working as a Post Office Engineer (Inspector) at a military camp building a railway. We don't know yet what he died of or where he lies buried but we have hopes of finding out. More remarkably, we discovered that he had a wife and I have been in touch with one of her descendants who sent me photographs of him and his wife, Florrie, which have never been seen before. It is my belief that people's stories should never be forgotten even if those stories can never be complete.

His brother William Ephraim James Hunt was also in the Post Office, a reserved occupation, until, harassed by white feathers, he joined up. He was

killed during the first hours of the Battle of Ancre, leaving six children and a widow who were given little help by an ungrateful nation.

Two brothers, Frank and Thomas, survived the war, which was remarkable since both served at the Front for two years. Both were severely wounded and suffered from

## BARTON BENDISH & EASTMOOR VILLAGE NEWS

shell shock. Both suffered from the damage the war did to them for the rest of their lives. I can't imagine how their parents must have felt seeing all four of their sons suffering in this way. For many families it must have been much the same. For this reason we must never forget the horrors of war.

Finally, on my travels to Cambridge, I came across this mural on a pub in Waterbeach. It would look good on a lot of pubs, wouldn't it?

**Andrew Stephen**

### **Commemorating the end of WW1**

It's 2018, The Centenary of the end of WWI, and Barton Bendish PC is planning a series of events and actions to celebrate our great Victory. We have several projects in mind and would also like suggestions from villagers on ideas they may have of ways we can commemorate this important occasion before we finalise our plans.

If you have any suggestions please call/email Valerie at 01366 347570, Maureen at 01366 347703 or Andy at [acstephen@hotmail.com](mailto:acstephen@hotmail.com).

## St Mary's Church

It was good to see the church filled with people for the carol service held on the

22<sup>nd</sup> of December. The red flowers on the wide windowsills glowed in the flickering candlelight and the walls echoed with those well - loved carols when voices of all age merged. This festival of light in the midst of winter gloom was very much a community achievement and would not have been possible without the hard work of all those people who helped to clean the historic building; those who provided

and arranged the beautiful flowers and those who supplied the home-made

mince pies, cakes and mulled wine. The youthful voices of the readers who spoke the familiar, yet forever strange, words in celebration of a new beginning also enhanced the occasion.

Just two days later, on Christmas Eve, the service of Holy Communion was held to mark the anniversary of the birth of Christ. For the handful of people who came along, it was a moving and memorable experience and as the church clock tolled the chimes of midnight, we found ourselves immersed in recognition of something beyond our comprehension.

We hope that our church will not have to wait for another long year before its ancient walls once again echo with the merging of many voices. It has been great to maintain regular services in our church and we remain grateful to all of those who contribute to our small worshipping community. We continue to be hopeful that our church can survive as a living place of worship for another year and avoid being reduced to the status of just another museum.

### **Beachamwell Village Hall (Charity registration number 303900)**

The village hall committee is looking forward to another busy year. There will be a number of Pop up Pubs throughout 2018 giving villagers of all ages an opportunity to enjoy a social get together. We are still looking for a fish and chip van as good as Andy Farnham from Wisbech, who served us well but has now retired. If you know somebody we can try, please let us know.

Beachamwell Fete and Country Fair 2018 - We hope you have put Saturday 1st September 2018 on your calendar and are looking forward to another great day out. We will be looking for books, bric-a-brac, old crockery to smash, raffle prizes ... when you are spring cleaning keep us in mind.

Accessibility Project Phase 2 - laying a hard-surface path from the track to the front door is our top priority for 2018. We have quotes and will be applying for grants very soon.

AGM This will be held in the hall on Wednesday 28 March at 7.30pm and we hope as many people as possible will come along and join us. New committee members are always welcome – think about it!

### Friends of St Mary's Church

#### A Big Thank You

Verena Hartley, Mary Riches, Vera Pearson, Pat Stringer and Beryl Emmett would like to thank everyone who supported our Knitted Christmas Pudding Project.

£400 was raised which will go towards St Mary's Church, Beachamwell thatched roof fund.

Without your help none of our fundraising would be possible.

#### Quiz

We are delighted the recent quiz proved to be popular and thank the 87 people who supported it. The £316.20 raised will be put into the Friends of St Mary's fund. It was a fun evening and enjoyed by all who were there. We would especially like to thank John Norton who helped behind the scenes in so many ways as did Sonia Williams.

We hope to arrange another quiz in the spring and will give details asap.

***Eileen Powell and Peggy English***

The money raised by both of the above fantastic fund raising efforts will be deposited into the newly opened 'Friends of St Mary's Church Beachamwell' bank account. The 'Friends' Account will hold all funds raised and donations made, solely to maintain our beautiful church and NOT for the general running costs. Individual donations to the fund would be gratefully received. If you are able to donate please call Patricia Clarke on

## Wednesday Walkers

December 2017: 2017 came to a climax as we were escorted by a flight of Typhoon jet fighters over the warren and then mince pies and mulled wine in the village hall – who could ask for more?

January 3<sup>rd</sup> 2018– the day after storm Eleanor – was grey and more than a little blustery. The question was would anyone be brave enough to venture forth?

Yes indeed, was the answer!

Six stalwart folk turned up to start the Wednesday Walkers' programme for 2018 with a bracing walk around the warren. All were delighted to find that the footpath across Toot Hill had been magnificently re-instated, for most of its length. The diagonal route was clearly marked and, for the first time in many months, the Walkers were able to enjoy the wide vistas seen from this path. Thank you Heygates, that was a wonderful New Year's present!

We will walk next on Wednesday, 7<sup>th</sup> February, leaving the Memorial Hall at 10.00 am.

Everyone is welcome but please wear suitable footwear though as it may be very muddy under foot. Bring your well-behaved dog too if you wish, but please remember that all canines must be kept on leads when with us.

### WI

January is "Resolutions Month" for Beachamwell WI, as we explore and discuss the issues raised by WI members nationally, to decide the focus for this year's special campaign. This year the topics were "Positive Body image in a Digital Age", FGM, Modern Slavery, Mental Health and "Healthy mouth, healthy body". As usual, the discussion was informative and very interesting, with all members taking part.

We are all looking forward, too, to February's meeting when David Mason will be showing some of his wonderful photographs on "Arizona to Alaska", which should be a real treat. Visitors and prospective members are, as always, very welcome. We meet on the first Thursday of every month and pride ourselves on being a relaxed, friendly and informal group.

### **Beachamwell Local History Group**

There was a good turnout for our Annual General Meeting on January 8<sup>th</sup>. 2017 was a quiet year for the group but there are exciting plans afoot for 2018. Our "big project" is likely to be an event focussing on Beachamwell's churches, but we also intend to bring in some outside speakers about topics of interest about our area. Unfortunately, the planned talk on "Constance Villiers Stuart and India" has been postponed from its February date but we hope to rearrange this soon. So watch this space for further news. New members are always welcome.

### **Beachamwell Book Group Top Reads 2017**

We read and discuss a range of books each year from historical novels to poetry and at the December meeting members voted for their favourite titles in 2017. The top three choices were 'My Dear I Wanted to Tell You' by Louisa Young, a story set in WWI; 'Spies' by Michael Frayn, a coming of age story set in WWII and a GCSE poetry anthology on Conflict and Relationships. Books are chosen by members and 2018 choices include 'My Cousin Rachel' by Daphne du Maurier and 'Dominion' by CJ Sanson. If you would like to find out more about the group contact:

## Children's Christmas Party

With an expert entertainer in situ, wielding water pistols at parents and children in between party games and disco dancing, a fabulous time was had by all at the Beachamwell children's Christmas party on Saturday 16th December.

So many families were able to attend which was great to see, especially at a time of year when there is so much to do. Chris Foulsham kindly provided some amazing sandwich platters for all the children to enjoy along with snacks, drinks and mince pies, all of which were demolished surprisingly fast!

And, as every reader knows, a children's Christmas party isn't a party without Santa, who once again excelled himself talking to every child about what they wanted for Christmas before dishing out Smarties

We would like to extend our most sincere thanks to the Village Hall committee for making this event possible, and to all those who joined us in supporting this event so enthusiastically, bringing along family and friends.

We hope all Beachamwell residents had a wonderful Christmas and look forward to seeing many families get together again in 2018; the numbers are definitely growing!

***Bridget James and Rachel Bond-Green***

The party was brilliant and the entertainer was really funny. I hope we can do it again! Thank you to the village for supporting us. Beachamwell is a lovely place to live.

### All Saints' Boughton

A happy new year to everyone in Boughton. I hope you all had good experiences over Christmas and the New Year, but I expect that – like me- you are looking forward to lengthening days, the first daffodils and warmer weather! Christmas in Boughton seems a long time ago, but we had the usual well attended crib service on Christmas Eve and once again Bubbles the donkey took a starring role. He had obviously not had time for a pit stop on the way, but that didn't matter and he behaved impeccably after that! Before that, we'd had our usual Carol Service of Nine Lessons and Carols. Thanks to all the readers and to the choir and to Tom Golden. The collection from the carol service went to Crisis at Christmas, and the crib service collection was for Embrace. This year we also had a service on Christmas Day. The congregation wasn't as large as last time, because of the number of other services in the group, but we had some good singing! We are a small congregation, but we welcome others and at the end of the year, some thanks are due. Thanks to Ken, for making an

awkward situation as pleasant as possible and to Robin and Brian for all that they do. Thanks to Angela and Andrew, because without them we wouldn't be able to continue. Thanks to Sandy and Frank, who make Breakfast church possible and to Paul, who keeps us solvent.

***Pam Wakeling***

### The Crib Service

On Christmas Eve we went to Boughton with friends. We went to a crib service to celebrate the birth of Jesus. Inside the Church there were candles lit and they made the Church look special. It had a donkey just like the stable in Bethlehem. The donkey is called Bubbles. We sang Christmas carols. My favourite carol is 'Away in a Manger'. After the service, we looked into the sky to find Santa but we couldn't! So we came home and got our stockings ready.

***Ciara McNulty aged 7 from Gooderstone***

Well done May. **Boughton PCC**

### **All Saints' Christmas Raffle**

Our Christmas Raffle raised £186 for church funds. This would not have been possible without the generous donations of prizes for which we are grateful. The lucky winners were:

1<sup>st</sup> Prize Hamper – Rosemary Wilkinson

2<sup>nd</sup> Prize Christmas Cake – Hugh Jenkins

3<sup>rd</sup> Prize Port – Susan George

4<sup>th</sup> Prize Bendicks Mints – David Cooper

6<sup>th</sup> Prize Wine – Mary Hunter

Many thanks for your support. **Boughton PCC**

### **Bottle at The WACA**

We are writing this very quietly. The bottle is sulking, and like many of us our bottle does enjoy a good sulk. He certainly could sulk for Britain.

Sandy and I were looking forward to a relaxing day at sea on our recent holiday, and had just finished breakfast when the Captain summoned us to the bridge. We were notified that a signal had been received from London. "Message from the ECB. Stop.

Bottle needed in Western Australia. Stop.

England two down in Ashes test series. Stop.

Please permit us to send bottle to Perth. stop

Ashes hanging in the balance. Stop.

We will collect from Boughton stop. "

We replied "Of course, you must contact Tim, he will arrange collection". stop.

## BOUGHTON VILLAGE NEWS

You will have gathered by now that we were on an older ship of the line, with signals using Morse code.

So that was it. Bottle put on a Qantas long haul Jumbo to Aus. Economy seat!! Not even Business class – Cheapskates.

Well, the rest is uncomfortable history. We were trounced (again). And lost the Ashes. The bottle was really looking forward to the next game at MCG and enjoying the sights of Melbourne.

But he was unceremoniously put on the next flight home. Arriving back in Boughton jet lagged and very, very grumpy. “Well thank you so much ECB “ We do expect the bottle to come out of the sulk shortly and start to enjoy 2018. He does send the very best New Year wishes to all his readers.

### **Boughton Fen Report for Parish Council Meeting 09.01.2018**

During November and December, working parties continued with clearing debris and brambles from the walk along with clearing all the overhanging reed from the boardwalk.

Further evaluation of the large trees on lower and middle fen has taken place, and on the advice of an arboriculturist, one of the large willow trees, which had become quite dangerous, has been taken down. The other two will remain in place, having had some careful trimming work done by our specialist contractor. The installation of the new outfall has been delayed by new regulations requiring us to obtain an installation permit from the Environment Agency, which we now have in place.

It will be installed as soon as conditions permit after the heavy December rains. Contractor scrub clearance will be continuing during January and February, and we should be able to have a further reed cut in February.

Working parties will continue through the winter on 21<sup>st</sup> January, 4<sup>th</sup> and 18<sup>th</sup> February, along with additional days to remove the reed later in February.

The working party held on Sunday 7<sup>th</sup> January was very successful with eleven volunteers working away in glorious sunshine. This was an excellent turnout given that some of the regulars had other commitments.

### **Poppy Appeal 2017**

The British Legion Poppy Appeal house-to-house collection in Boughton raised £214.54. Many thanks for your generosity.

### Parish Council

Next Meeting Date\_Tuesday 13 March 2018 (Ordinary Parish Council Meeting)

Agenda items must be received before the end of the month prior to each meeting, items received after this time will not be possible to discuss. Please send to the Parish Clerk at [werehampc@gmail.com](mailto:werehampc@gmail.com). The Agendas for meetings are always published on the Wereham Village Notice Board three clear days before the meeting, on the Wereham Parish Council Facebook Page and on the website [www.werehamparishcouncil.co.uk](http://www.werehamparishcouncil.co.uk). You will also find minutes of all meetings here too.

We have another Defibrillator Awareness Training Session on Tuesday 20 February 2018 from 6.30 - 8.00 pm in the Wereham Village Hall. This is a funded session by Lottery Awards for All as part of the Community Defibrillator installation in the red telephone box on the Wereham Pond in 2017. It is for anyone to attend of all ages, and the training is for those who wish to have better awareness of how to use it in an emergency. The defibrillator itself is possible to use with no training as it has a screen that relays instructions to you. In the event of an emergency it would be the emergency services 999 that you would call and if necessary they would advise you to collect the machine. There are key fobs with the access code available on request from the Parish Clerk if you wish by email.

Please could all residents report any dog fouling and if necessary take photographic evidence of anyone not collecting their dog mess, and report to the Borough Council's team. There was an unfortunate event early December on the Wereham Village Pond Green near the path of large dog mess left there ignorantly and a child stepped into it covering both shoes and covering clothes. We will all agree that this is just not acceptable and it has been going on for far too long all over the village. For a resident of Wereham to not collect their dogs mess after and to do it in a central place in the village where children go to school is without due care and is just not acceptable. Wereham do not want this blighting the village any longer and the Clerk will be stopping any dog walker in the village to check they have the necessary dog bags for the foreseeable future. The Parish Council has supplied and pays for three dog bins and for them to be emptied across the village but unless certain dog owners take their responsibility they are in vain. They are located at the end of Lamas Lane (Flegg Green end); along Cavenham Road towards the public footpath field end; and on the playing field near the village hall entrance.

Our main purpose is to make craft items to sell on our craft stall to help raise money for the village hall. We have a large quantity of fabric, ribbons, lace, buttons etc which can be used to make items for sale. ### **Short Mat Bowls**

As with the craft group we had a short break over Christmas and met again on Jan 9th, 2pm until 4pm. We meet every Tuesday afternoon in Wereham Village Hall. Spectators are very welcome to come along as well and tea and coffee are on offer during the afternoon.

### **Wereham Car boot and Cafe.**

Do come along and have breakfast with us and see the progress on our wonderful new village hall. You will be very welcome. Having had breakfast you can then wander round and find yourself a bargain. We look forward to seeing you. For details please contact Philip on 01366 501330 or 07759033492

### **January Update from Wereham Village Hall Committee**

What a lovely end to 2017 with a range of festive events and activities held, for the last time, in the old village hall. The Christmas bazaar, bingo, quiz and carols in the hall were all very well attended and really helped to get the village into the Christmas spirit. In addition we managed to raise almost £2000 which is a fantastic achievement!

Thank you to everyone involved – fundraising through 2017 has exceeded our target by more than £2000 and we really could not have done it without you.

### **Tesco Bags of Help Scheme**

We have been shortlisted as one of the three charities to be supported by the Tesco Bags of Help scheme. You can use your blue tokens to support us in the Downham Market branch of Tesco during January and February 2018. If we receive the most tokens, we will be awarded a much needed grant of £4000 towards the new hall so please help us.

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. They don't always give the tokens out automatically so please do ask. I've noticed that they always give me extras when I take the children along so maybe drag your children/grandchildren/nieces/nephews along with you too!! Thank you for your support!

### **Update from the New Build Project Team**

Some pretty miserable weather means that progress has been a little slower over recent weeks though we did see completion of the beautiful front wall and the roof put in place prior to the Christmas shut down. The contractors were back on site on 2<sup>nd</sup> January and we are looking forward to completion in April. Don't forget that it is still not too late to donate to the buy-a-brick campaign. We are still £3700 short of the £10,000 target we pledged to the lottery as our community fundraising so any further donations are still desperately needed. Just follow the link from our website to our MyDonate page.

## ‘Buy a Brick’ Campaign

### Britain’s First Passivhaus Village Hall

This is no ordinary ‘Buy a Brick’ campaign (largely because there are no bricks) but this is no ordinary village hall! It’s your village hall to support you, your events and your activities.

We’re so close – our community fundraising is going well but we’ve not yet reached our target of £20,000 so please support us by visiting our website <http://www.werehamvillagehall.co.uk> and follow the link on the home page to our dedicated ‘MyDonate’ donations page.

Your donations will buy:

- £10 three breeze blocks
- £100 timber cladding
- £250 internal fire door
- £500 Passivhaus certified window

For further details contact Trustee John Millard on [01366 500790](tel:01366500790)

**Many practices now use other veterinary surgeries for their out of hours work. This means that you will have to travel to an unfamiliar practice which is likely to be much further away. Despite being only a two vet. practice we continue to do all of our own on call cover. The phones are diverted directly to the vet on call as we know that clients appreciate a familiar voice at the end of the phone, 24 hours a day, who knows their pets and, if treatment is necessary, then they prefer to travel to their own practice to be seen. This is part of our Professional and Personal service that our existing clients are accustomed to and we warmly welcome new clients who wish to register with us.**

**Our surgery times are listed below. Please note that appointments are now necessary for all evening surgeries.**

**Open surgeries: Monday to Friday , 9-10am, Saturday 10-11.30am**

**All other consultations will be by appointment only  
so please ring in advance**
