February 2019

WELCOME

Welcome to the first issue of 2019!

There are plenty of one off events and regular classes, services, opportunities in the villages. Do take a good look and see if you can join in.

How lovely to see signs of spring—the days ARE longer, there are daffodils in the gardens and the birds are beginning to sing. Even if we get the usual February and March snow and cold, we know it won't last for ever!

As always, 'Happy Reading ' The Editorial Team Eileen and Pam

Dear All.

The weather hasn't been too bad really; but there have been a few mornings where I've worn a beanie hat to keep my head warn (especially as my parting is getting wider by the day). I've had to stop wearing my snazzy hat with fur bits on, (which makes me look like I'm more suited to being an inmate in a gulag in Siberia rather than just walking the area), as my dog, Floki, has taken to barking at me every time I wear it. Now for the God spot. I know it's February but I still want to hanker on the Christmas story. To notice the very ordinariness of how God chooses to come; to be illegitimately and mysteriously born in a mucky stable for goodness sake, in the backwaters of Palestine: with a bunch of foreigners and riff-raff for company. The very detail we do know from the gospel writers says something amazing: here's a message that's good, no GREAT. news for all people whose faces wouldn't naturally fit! We are invited, indeed strongly encouraged, to become God's children. Sons and daughters of a whole new order of things; witnesses to God's love for the world he made and has always passionately loved. In Jesus is the glory of real human living; the chance to have life as God always intended it to be. And we're all invited to join in. He promises to transform frail, grey lives and bring instead colour and vibrancy, hope and purpose. Much, much more than survival and merely making it through. Christ didn't even come to invite us to just attend church services on a Sunday or special festival days: but to share in his wider purposes to bring justice and peace, forgiveness and grace to a needy world. To enable us to take part in the adventure of living and share something of what he's like. No matter where we are in life, no matter what condition we find ourselves in, no matter how far we might have strayed away, or messed up, or how unfaithful we think we are. God pursues us with a love that can forgive, restore and transform us. So we celebrate a love that never stops bringing its light into the darkness. Let us pray - "Heavenly Father, you gave us this world and a freedom of choice with how we live on it and in it. Help us as we go through this new vear using that freedom to help those who are worse off than ourselves, to do those things that will help our earth so that we can ensure that our children, their children and the children to come can enjoy what it has to offer. And as we face the political difficulties of the times ahead, help us to be caring, unselfish and generous with ourselves to all that we meet. Amen."

God Bless, Ken Waters

BENEFICE NEWS We welcome the Reverend David Karoon as the new Priest in Charge of the West Norfolk Priory Group. This is a large group, stretching from Nordelph, to Watlington, to Marham and back down to Stow Bardolph, so he will be a very busy man. Let us wish for a happy and fruitful ministry for him and for his wife, Shirley. His licensing will be on 26th January at Watlington, before most of you will see this magazine.

This is a good place to recognise and thank the work done by the retired priests and lay readers who do so much to keep the parishes alive. I've done the rotas for this group since David Pomery left, and I couldn't have done it without Robin and Pippa Blackall, Brian Redgers, David Yabbacome, Pat Blyth, Tony Porter and William Burke. Several of them have had health issues during this time, but have carried on steadily. I've spoken to David Karoon and for the moment the rotas will continue as they have done. I have enjoyed doing it and hope to work with him in the future. Pam Wakeling

Deanery Synod 27 March 2019 The Deanery Synod on 27 March at All Saints Academy at 7-pm will be an open synod to discuss how we meet the future of our churches and building and congregations. In addition to members of the synod all churchwardens and LLMs/ALMs and any members of PCCs or indeed anyone is invited to join in the discussion. The church has been in survival mode for many years it feels. Expressions such as "bailing out the ship" and "thumb in the dyke" are used quite frequently to describe what we do. There have been many heroes who have been "bailing hard", many who have done heroic things to keep the roof on, but as our congregations in many cases grow older and fewer we now have to think about the future. We need to think about the care of our ancient church buildings and the sort of help we need to raise the money and find the expertise to help look after these lovely buildings, the repository of our nations local history. We need now think about how we maintain the ministry of the church of England, how we fund it and what shape it might take in the future. We need to think about our ministry and how we carry out the Great Commission given to us by Jesus in Matthew Chapter 28, his final words to the Disciples "And Jesus came and said to them, 'All authority in heaven and on earth has been given to me. 19. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 .and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age.' How do we reach, let alone teach people all Jesus has commanded us, how do we reach out to families and young people and bring them into the fold of the church, baptising them in accordance with our Lord's will. How do we bring them to his table, to "to do this in remembrance of me". The Synod will not deliver answers, but will offer and look at ideas, seek views and discuss them. All are welcome William Burke

GERMAN APPLE CAKE

Recipe from the Food Aid Cookery Book compiled by the BBC in 1986, proceeds from sales going to the Band Aid charity. Recipe contributions were sent in by various celebrities with members of the public invited to submit cherished recipes too – this one is attributed to Pauline Wheeler from Surrey.

I have always served this cold as a cake, but it is suggested that it might also be served hot as a dessert with cream.

Ingredients

1 lb (450 g) cooking apples (peeled cored and sliced)

4 oz (110 g) butter

4 oz (110 g) granulated sugar

8 oz (225 g) self-raising flour (sifted)

Pinch of salt

1 egg (beaten)

4 oz (110 g) sultanas

½ level teaspoon ground cinnamon – be generous if you like spice

2 oz (50 g) demerara sugar

Icing sugar

Pre heat oven to gas 5, 190° (fan 170°)

You will need a 7 inch (18cm) cake tin, well-greased

Method

Melt butter in a large saucepan, remove from the heat and stir in the granulated sugar, S.R. flour, salt and egg and, using a wooden spoon, mix everything to a stiff, smooth dough

Place half of the dough into the prepared tin and press out as evenly as possible using your hands

Mix together the sliced apples, sultanas and cinnamon and place the spiced fruit over the dough

Sprinkle over the demerara sugar and level the surface as much as possible using the back of a teaspoon

Carefully distribute the remaining dough over the apple mixture

Bake for 50-55 mins (40 mins fan) until the top is golden brown

Leave to cool in the tin for 10 mins before turning out, then dust with icing sugar

COUNTRYSIDE NOTES FEBRUARY 2019

Sugar beet

Sugar beet was first grown in Britain in the early 1900s and the first factory opened at Cantley near Norwich in 1912. Gangs of men and women harvested it by hand. It wasn't until the 1950s that machines replaced them. Now, modern mechanical giants harvest up to twelve rows at a time chopping off the tops, lifting and loading it. Approximately 60% of the sugar we consume comes from home grown sugar beet; most of the remainder is imported cane sugar.

Other than cursing all the mud left on the road by tractors carting the beet, do you ever wonder what happens after its left the farm? It all goes to the factory at Wissington, identified from afar by large plumes of steam emerging from its chimneys. Wissey is the largest and most modern in Europe and is one of only four remaining in the UK, the others being at Newark, Cantley and Bury St Edmunds. It's efficiently powered by a system producing both steam and electricity and operates from late September until early March, working 24-7 during this period which is known as 'The Campaign'. On arrival samples are tested to determine the sugar level, normally averaging about 17%. It is then washed before processing begins. Once inside the factory it's sliced into thin strips known as 'cossettes' before being diffused, a procedure similar to brewing tea in a teapot. The water is kept at 70C for a period of time to extract the sugar. This juice is then purified by mixing with milk of lime and carbon dioxide gas before being filtered off and going through an evaporation process to concentrate it. The actual crystallisation procedure is carried out in giant vacuum pans. After having been further reduced minute sugar crystals called 'seeds' are introduced. These 'seeds' form the nucleus for larger crystals to form. The resulting mix of crystals and syrup is separated by being spun in a 'centrifuge'; to extract as much sugar as possible the syrup is spun twice more. The crystals are then washed and dried ready for storage. This method of processing results in several by-products, none of which are wasted. Soil washed off the beet is screened and sold as topsoil, extracted stones as an aggregate and the lime as a soil improver. Residual beet pulp and molasses go for animal feed. The factory also produces bioethanol fuel. For several years tomatoes were grown in the 44 acres (18h) of glasshouses adjacent to the factory but in 2017 the decision was made to grow medicinal cannabis instead used to produce a drug for treating epilepsy. Excess electricity and waste carbon dioxide from the factory are used for this purpose along with rainwater collected from the roofs for irrigation. Any surplus electricity generated is fed into the National Grid. Yet another by-product is utilised by the 100,000 pink-footed geese

wintering in Norfolk. They feed on the green tops and beet chips left lying

in the fields after harvesting. Buy British – Buy Silver Spoon

KING'S LYNN FESTIVAL CHORUS

Present a concert, on Saturday 9th February 2019 in St Nicholas' Chapel, King's Lynn, at 7 pm, of two contrasting works, written five years apart in the same decade (1860s), in which the modern piano plays a central part.

Brahms' Liebesliederwaltzer Op. 52, for soloists and piano duet, inspired by Schubert's lieder, are based on the Ländler, an Austrian country dance in three time. In Brahms' Liebeslieder, however, don't expect the regular oom-pah-pah of the Strauss Viennese waltz which were also the rage at this time; Brahms the craftsman incorporates interesting rhythms and harmonic tensions.

These songs will be performed by our soloists for the evening, **Angela Brun**, **Freya Jacklin**, **Ben Thapa and Jolyon Loy**.

Rossini, with whom we instantly associate the 'William Tell' overture, was a prolific composer of mainly operas mostly in a lighter vein, whose style was much influenced by Mozart. **Petite Messe Solennelle** was written some 30 years after he had composed a major work, having retired to Paris to pursue the good life of food, wine and company! The original version is performed this evening, scored for 4 soloists, chorus, 2 pianos and Harmonium, and is conducted by Music Director **Tom Appleton**.

Feast your eyes and ears on not one, but two matching, gleaming Steinway concert grand pianos, put through their paces by our own **Ben Horden**, and **Nick Tudor**. And the Harmonium played by **Matthew Searles**, an unusual accompaniment to a piece such as this.

The work does follow the general form of a Mass, with many different styles of writing starting with the Renaissance. Was this to demonstrate that his skills were still finely honed? And what does 'petite, refer to? Whatever it is, the irrepressible Rossini opera composer is never far away - listen out for his comic operatic touches every now and then!

Tickets £20 (free for under 12s) are available from the Corn Exchange, Tel. 01553 764864, online, or on the door.

Further details of this concert, forthcoming events and how to contact the chorus is on its website www.kingslynnfestivalchorus.co.uk

SWAFFHAM & LITCHAM HOME HOSPICE

We were unable to hold our annual Tree of Lights event in December due to the closure of the Green Britain Centre earlier in the year. We therefore had to rethink what we could do to remember those who are no longer with us. We decided to have a new Memory Tree which was created in our meeting room at 17 Brocks Road by 2 very talented people.

Matt Colman of Green Man Woodlands designed and produced the tree trunk and the amazing owl which sits proudly on the tree top. The rope design of the tree was created by Assistant Co-ordinator Georgie Roberts, an accomplished artist, assisted by Linda Lines, one of our volunteers. This wonderful tree was adorned with hundreds of dedications from relatives remembering their loved ones. We very much missed our evening service but the new arrangements were very well received. The Memory Tree will be left in place all year and will be available to relatives for dedications.

As we have done for many years, we organised a Christmas Draw with 3 cash prizes of £250, £150 and £100. Tesco allowed us to be instore selling tickets for a 5 day period prior to the draw. The lucky winners were drawn by Candy Chapman from Tesco at 5pm on the 8th After printing costs and prize monies, we raised over December. £1000.We also took part in the Christmas Tree Festival at St Peter and St Paul Parish Church. Our thanks to David and Kay Gulliver for all their work in decorating the tree prior to the event and for stewarding on our behalf during the event. Our fundraising team will shortly finalise our fundraising programme for the next 12 months. 22nd March a Quiz. £5 per head, at Swaffham Conservative Club starting at 7.30pm. To enter teams (up to 6 persons), contact Adrian Adcock on 01760 724304 or 07741418781 or by e-mail - adran.adcock@talktalk.net. 11th May, we will be holding our annual Street Collection in Swaffham. We still need volunteers - if you are interested then please ring our Co-ordinator, Wendy Martin on 01760 722937 or call in at our office at 17-19 Brocks

Managing the Denver Complex

Denver Sluice has played a vital role in the drainage of The Fens since the 1600s. And who better to talk about managing the present Denver Complex than Dan Pollard from the Environment Agency who own the site.

Dan lives and works at Denver Sluice dealing with all the responsibilities of floodrisk, navigation, conservation, water abstraction, land drainage and fisheries. Quite a challenge.

Visitors most welcome. Admission £2 on the night if you are not a NarVOS member. For more information about this meeting or NarVOS call Ian Black on 01760 724092.

Winner of the East Anglia sectionin the

Parliamentary Pub of the year Awards Well done!

Thirteen members and 1 guest met in the Memorial Hall for the January meeting, Mrs C Dungay presiding. There were no birthdays for this month. The table flowers were donated to the raffle.

The evening's entertainment was provided by the popular "Three's Company," a trio of ladies, (Leah, Irma and Lesley,) who regularly perform, individually, at West Acre Theatre. Their theme, this time, was "The Seven Ages of Women," and they each performed a series of amusing, sometimes poignant poems and prose about each of the ages, ranging from Baby to Old Woman. Some of the poems were by well known poets, such as William Shakespeare, Dylan Thomas, Victoria Wood, Wendy Cope and Pam Ayres, some were by unfamiliar ones. The ladies never fail to impress and had members crying with laughter or sighing with nostalgia. Fees for the evening were given, at the ladies request, to the ACWW.

The raffle, organised by Wendy Baines, was won by I Delderfield. The table flowers, organised by I Delderfield, were won by C Stringer.

The Competition – A Poem about New Year's Resolutions – was won by I Delderfield. C Dungay was 2nd. Both poems were read aloud and admired by all members.

Could you help a young person with a disability to think about their Future?

The CSV Futures Project supports young people with learning disabilities to explore their options as they think about leaving education.

Volunteer Mentors provide one to one support to a young person to help them develop a personal profile of their skills and interests, their likes and dislikes and their future goals. The Mentor can then support the young person to start working towards these; this can include accessing work experience and training opportunities plus the chance to try out volunteering and new social activities.

CSV needs volunteers who can offer a couple of hours of their time each week to mentor the young people as they make choices about their futures, raising aspirations by exploring together the young person's skills, interests and abilities.

We are looking for people ages 16+ - Mentors can come from all walks of life and no experience is needed but patience, the ability to listen and a sense of humour are all useful skills. Mentors receive full training and support and out of pocket expenses are paid.

If you would like to find out more about becoming a Volunteer Mentor for the CSV Futures Project please contact Vicki Howling, the project co-ordinator for an informal chat. Telephone 01366 386972 or 07926 044845 or email vhowling@csv.org.uk

CSV (Community Service Volunteers) is the UK's leading volunteering charity. Social justice is at the heart of what we do; empowering people to have a positive stake in society and tackle barriers to community participation through creating volunteering and learning opportunities.

Free magazine inspires families to get active this summer

Together with Active Norfolk, NCC Public Health has launched a free magazine which aims to inspire families in Norfolk get more active this summer.

Packed with ideas for cheap, fun activities and days out, **Get into Summer** aims to support cash-strapped families struggling to keep kids entertained during the summer holidays.

From free outdoor gyms and guided cycle rides, to park theatre and pond dipping, the magazine features activities to suit all ages, abilities and budgets.

Pick up your copy to find out more about a FREE six-week programme of family activities, starting this summer, with courses like Family Dance at The Garage, Norwich; Cycle Confidence on the Great Yarmouth seafront; and Swimming at St James, King's Lynn.

There's also a chance to win Halfords bikes for a family of four and a glamping holiday in West Norfolk courtesy of West Lexham, as well as money-saving vouchers to help you cut the cost of keeping your family active.

Launched in the Eastern Daily Press and some of Archant's weekly titles on June 26, copies of the free magazine are also available at Norfolk libraries and children's centres.

Part of a joint campaign by Norfolk County Council Public Health and Active Norfolk, **Get into Summer** is being launched in response to the falling levels of activity in Norfolk among adults and children and the impact of this on their health and wellbeing – now and in the future.

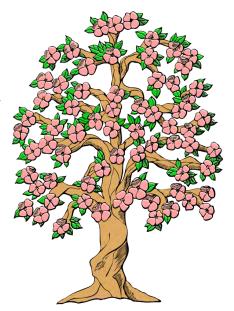

You can find out more and view the magazine online at www.norfolk.gov.uk/getinto

Free home assessments on offer

Older, disabled or vulnerable residents of West Norfolk are being encouraged to book an appointment for a free home assessment from Careline Community Services.

The assessments, which are carried out by a team of qualified staff, will help residents, who may be living with a disability or dementia, or who are simply older and less mobile, to identify concerns in their property which may be affecting their day-to-day life.

The assessor, trained by the Disabled Living Foundation, will inspect the home to see whether measures could be introduced that would reduce the possibility of slips, trips and falls and generally make it easier for people to live safely and independently in their own homes. Measures that could be considered include installation of a Careline personal alarm, improved lighting arrangements, heating checks, draught proofing, smoke detectors and easy-to-use taps along with recommendations for other adaptations that may reduce any potential risk to the resident. Practical solutions for those living with dementia are also available, this includes signage or colour differentiation for those who suffer with memory loss and are visually impaired.

BARTON BENDISH NEWS

Eddie Riches RIP

Very sadly Eddie died on Saturday December 15th. He was a lovely man, modest, quick witted, musically talented and always smart in appearance. When he was younger he supported the village in many ways as well as keeping the shop. Back in those days, when village social life was centred round the Spread as it was then known, many a night he would be in there playing the piano. It was very sad to see his health deteriorate during the last few years and after losing his wife Marge back in October, having been married for more than 66 years, he was finding life increasingly difficult.

Eddie's family originated in Barton but moved to East Ham, London where he was born in 1920. On leaving school at fifteen he worked in an office but in the spring of 1940 was called up to serve in the Second World War. After training in Wales and defence duties in Essex he was despatched to Iraq before eventually ending up at Tobruk where, in 1941, he was captured by the Germans. Eddie was sent to a Prisoner of War camp in Italy and, when the country capitulated, was transported to Lamsdorf Stalag 344 camp in Poland. In the sub-zero temperatures of January 1945 he was consigned to becoming part of 'The Long March' from Poland to Kassel in Germany which he was forced to endure for three months. Having survived the indescribable horrors, atrocities and deprivation of being a POW for four years he returned to civilian life in London but plagued by ill health eventually came to Barton where, helped by wife Marge, he took over the shop that his grandmother had once run. He gave this up in 1972 and, prior to retiring, took an office job in Lynn. Three years ago Eddie and Marge moved into Downham but he yearned to be back in Barton.

To hear Eddie's story of being a POW makes us realise just how much respect we should have for all those who were captured during the Second World War and, in particular, those who were forced to participate in 'The Long March'. In common with many of his generation he very rarely talked about any of his wartime experiences and at the age of 98 Eddie was one of the last remaining survivors. Jill and David

Talk on Swifts

I only got to find out at the last minute but I was glad I didn't miss it because I found the talk by Dr Richard Newell about swifts very

interesting and informative. It was organised by the Rev Ken and Ray Burnham and held in Barton Bendish Village Hall in aid of St Andrew's. The evening began with delicious home-made soup and crusty bread prior to Dr Newell telling us about swifts, their status in this country (in serious decline), their migration and what can be done to help them in way of providing artificial nests boxes as loss of nesting sites is believed to be one of the causes of their falling numbers.

Further information can be found on actionforswifts.blogspot.com Special thanks to Wendy, Ken's wife, for spending much of the evening hard at work in our very cold kitchen and to Rev Ken, Ray and helpers, for organising everything else.

Christingle Service

2018 was the 50th year of Christingle being celebrated within the Church of England.

Being raised American and Catholic, I might be forgiven for not knowing much about Christingle in advance of my time living here in England. I attended my first Christingle service here in Barton Bendish a good few years back when my son was quite young. It was all explained within the service and I found the symbolism charming. It included all the most important things:

The world (an orange), God's love, Christ's sacrifice (red colored ribbon surrounding the earth/orange), God's creations and the four seasons (dried fruit and sweets on tooth picks)

and then, of course, Jesus as the light of the world bringing hope to people living in darkness (candle light).

Since then, we've made it a point to attend the Christingle service here in Barton Bendish whenever our schedules would allow. This year we imagined it all being much the same; yummy oranges and treats and candle light within St. Andrew's on a quiet Sunday afternoon followed by mince pies and other assorted Christmas season yumminess. An opportunity to spend a bit of time with neighbors in that lovely relaxed Barton Bendish kind of way. Well, this year didn't disappoint. In fact, this year will stand out to both me and my, now 9 year old, son. Reverend Ken Waters manages to bring his own unique style to any event he leads. He had all those in attendance, young and old, but mostly on the older end, up on their feet and letting their inner child enjoy all the silliness, the beauty, and

the camaraderie that is there to be enjoyed during this time of year. Thank you as ever Barton Bendish magic (i.e. all those who work so tirelessly to make it all look so effortless) for helping us take a bit of time out of our busy lead-up-to-Christmas schedule to stop, pause, giggle, and remember the true reason for the season.

Barton Bendish Victorian Evening.

Why the very words warm the soul! Six sharp and the company assembled on a soaking, shivery December night in the warmth of the ever-welcoming village hall - what for? What for, my dears? Why, entertainment of the most seasonal sort. And what a stylish and welldressed company it was - such elegant and effective efforts of costume in keeping with the times. Then the grandest of entrances as the Queen and Prince Albert (God bless 'em) graced us with their presences! Her and regal majesty introduced entertainment in ringing and portentous tones and the show was underway. They are a musical community in and around Barton Bendish. They know what they are about with a Glee, Catch or Carol. We raised the rafters with the traditional tunes. Gusto wasn't in it! The choir trilled deliciously under an expert baton. Some ragamuffin cockney chap bawled his way through songs his muyver had carelessly handed down - and again responded to the challenge. the company vocal But songs alone were not the full story. The tinkling and twinkling of the hand bell group left us dazzled by their highly-polished virtuosity. Such harmonies and such co-ordinated Christmas melodies! What a pleasure! Then a talented young fellow tinkled the ivories with considerable confidence and craft - a work by the German master JS Bach was a particular peach. And for myself, dear reader, the mellifluous flute of Phyllis offered a sound so round and warm that I could not have wished for more But there was more! Readings of "In the Bleak Midwinter", most suitable; from some scribbling by a chap called Dickens - "A Christmas Carol" I think, but rendered most ably. And others too numerous for my old memory, but wonderful and well-told. Some old shepherd chap now wandered in. He may have mistaken the hall for the hostelry across the way? At any rate he regaled the company with rural tales in rural tones, most amusing, if in somewhat basic, bucolic taste. He concluded with a song of war and loss - most affecting it was - scarcely a dry eye in the house.

I cannot conclude without mention of the virtuosic keyboard played so skilfully by Tom. Nor must I omit the wit and wisdom of the vicar who led us through the evening with both pace and grace. Finally, the organisation, the thought, the travail and, ultimately, the triumph engineered by Linda and Mhari in bringing off the whole thing, must be admired and praised throughout the village and beyond.

This is the 4th Victorian evening we have attended since we moved to Norfolk. We have always been made so welcome in Barton Bendish. Thank you all for your hospitality!

Carol Singers

There's something magical about hearing carols being sung outdoors so it was delightful to have the Barton Carol Singers come round just before Christmas. I'm sure many people in the village will join me in thanking them for making the effort.

Breakfast Church Saturday 9th February 2019

As the Church is very cold in February there will be no services held there during

this month. However, we'll be meeting for Breakfast Church at 9.30am on Saturday

February 9th. Don't miss this opportunity to break bread with your neighbours and enjoy a thoughtful start to the day. Contact Linda 347563 or Mhari 347849 to book your breakfast!

Supper and Talk on Rural Crime Issues

Amongst other groups, we intend to approach Big Lottery, Sport England, Mick George, Tesco, Leader, The Princes Countryside Fund and the Borough Council, who have already indicated their support for the scheme. It is important to coordinate the grant applications, which are many and varied in their requirements. Often grant money must be spent within a given time period so it is vital to coordinate applications. The Village Hall Management Committee

are working very hard to maximise the chances of raising the amount of money required and believe it is only a question of time before this goal is achieved.

In addition we are proposing a number of fund raising events including:

Gardeners' Question Time on April 24th; a Live Music and BBQ Event in May; Quiz and Chips on October 19th and a Car Boot Sale and Table Top sale in the garden of All Saints House and the adjacent field in June.

These events and dates are provisional but we are keen to hold as many fund raising activities as possible and do what we can for ourselves. Please let us know of any suggestions you might have. And if anyone knows of any good live bands......

Finally, we would urge you all to support the West Norfolk Wins Lottery. You can win up to £25,000. It costs as little as £1 per week to play. 50p of that goes to the Village Hall and 10p to other local causes. 25 players would raise £700 per annum for the Village Hall. Apply for tickets online at westnorfolkwins.co.uk and nominate Barton Bendish. Having fun and doing a bit of good at the same time is a winning combination!

A famous politician once said "We are all in this together" but we actually mean it. We hope that we will leave our children and grandchildren the legacy of a fine Village Hall which is capable of serving all the needs of a wonderfully sociable community. Please support us.

Wednesday 13th February

Following on from our successful 'Soup and Bread' evening last November, Ken and I are organising a similar evening at Barton Bendish Village Hall on 13th February - Homemade Soup and Crusty Bread will be served. We will be starting at 6.30pm.

Our speaker is Police Constable Dave Armstrong who will be telling us about the latest issues facing rural communities and how the Norfolk Constabulary Rural Policing Team is responding to issues such as Church Lead Theft, Hare Coursing, Most Wanted People, Mental Health Issues, On-line Scams etc.

Booking is essential

Village Hall Update Your Village Hall Needs You

Following the phenomenal support for the proposed refurbishment and extension of the Village Hall, as shown by the public consultation evening (100% support!) and the gaining of planning permission, the search for funding is now in full swing. This search has the full support of Liz Truss MP and recently Barton Bendish Parish Council donated an initial £500 towards the fund. This is in addition to support promised by Albanwise Ltd. Detailed costing has now been arranged, which will make the process of winning funding much more achievable. We have also received considerable help and advice from the successful fund raisers of Wereham Village Hall for which we are very grateful.

Elderly Cyclist's Fall in Dark Country Lane

How a man was killed by a thorn was told yesterday at a King's Lynn inquest.

Jonathan Pealing, 61, an insurance agent of Barton Bendish, was pedalling in the dark along a country lane when his bicycle lamp failed, and he fell in a ditch.

A thorn pierced his eye. He quickly pulled the thorn out, but orbital cellulitis set in and Pealing became unconscious. He died in hospital after an operation.

A verdict was returned in accordance with the facts given

St Mary's Church

The church looked beautiful during the carol service which was held this year on a Saturday afternoon. Days before, members of the community came together to clean the building which with its layers of dust and its many cobwebs is no mean task. Other people provided a colourful array of flowers or made mince pies and cakes. A number of children gave readings which always enhances the occasion. The flickering flames of candles cast moving shadows along the ancient walls and were mirrored on the stained glass windows. The highlight of the service was the impressive singing of the choir whose voices reverberated within the stone walls which have echoed with prayer and praise for century after century. The well-known carols, however trite their words, never seem to lose their

sense of wonder is so often lost through the getting and spending of adulthough so that life becomes grey and meaningless and thoughts of death put to ciside.

It was wonderfully appropriate that the moon should glow and that stars sho pierce the clouds as we walked to the church, lit like a beacon in the windarkness, for the midnight Communion on Christmas Eve. The rows of perhad returned to their usual state of emptiness but the sparsity of congregation gave a sense of intimacy to the proceedings. There was organist but a handful of uncertain voices sang some carols as best they could the Reader stumbled his way through the Biblical readings but the verifications of the service gave one a deeper sense of flawed human being striving to grasp that which lies beyond their understanding. The church clotholled midnight to mark the beginning of Christmas Day some three minutes lathan it should: like St. Mary's itself, the clock is beginning to lose its we forward.

The Friends of St Mary's

I hope all the supporters of St Mary's Church have had a good start to their yet. The Friends executive committee met on the 4 January to make plans for a activities for 2019. Our bank balance now stands at £5,444.08 and we agree our focus for this next year would be to build on the fund raising success of 20 with a view to reaching what is needed to start the actual repair to the thatch the Church. We are in the process of getting a range of quotes and we confirm our actual target as soon as we can. In the meantime there are a hof exciting activities planned. We will have had the first of the ever popularized by the time this gate out (thanks again to

quizzes by the time this gets out (thanks again to Peggy and Eileen) and Vesna and Pat are arranging the first of a number of "pop-up lunches". We also have the annual half marathon and are planning to possibly organise a concert and a craft exhibition.

As always, thanks go to the army of dedicated helpers and organisers for all these activities.

Wednesday Walkers

The last walk of 2018 was the now traditional route along the Green Drove a back to the Village Hall for mince pies and mulled wine and for some unic entertainment.

Mike, who makes restores old mus instruments, brought ald his 3-string Pringolian Fid (manufactured from Pringles carton and a bro handle) and a viola ma from a Bread Stick car and more broom hand These instruments were t of the four he made professional musicians perform a Hayden conce at the Brandon Festival I autumn.

The Wednesday Walk listened to Mike as he play the lively *Horses Brawle* the Pringolian. This

century tune was a great favourite of Elizabeth I to which she and a partiperformed a semblance. A semblance is a sort of dance, but with no set ste instead the 'dancers' make shapes and actions related to the sort of braveling played – in this case a horse.

Mike also played Irish jigs for us. It was a very special and unusual way round off 2018.

The New Year brought us back to normality as we wandered along the Lo Drove (older residents of know it as 'Search Light Drove'), across meadows the Warren Belt and back to the village – just over three and a half miles.

Do join us if you too want to explore the rights of way in and arou Beachamwell. We meet next on Wednesday, 6^{th} February, and walk from Village Hall at 10.00 a.m.

Beachamwell WI

In December, we celebrated Christmas with musical and humorous entertainment from the West End Waiters, a group that supports Motor Neurone Disease Research. We were delighted to welcome lots of visitors and we hope they enjoyed the evening as much as the members did.

We started the New Tear, as usual, with its Resolutions Evening where we discussed the

proposals for this year's national WI campaign focus. In this year's shortlist, three of the proposals concerned women's health issues; "Ending the taboo around menstrual health", "Pelvic floor education" and "Don't fear the smear". Two proposals had an environmental theme; "Improving plant biosecurity" and "Trees — improving the natural landscape". Lastly, there was "A call against the decline in local bus services". Lively and frank discussions ensued and members will now vote for the resolution they wish to be taken forward at a national level. The evening finished with a quiz.

At February's meeting there will be a talk by Penelope Watkins on "Know your shape, enjoy your assets." It promises to be an uplifting evening! In March, local writer, Jackie Bennett will give us an illustrated talk on the subject of her latest book, "Britain's Island Gardens".

Beachamwell WI meets at 7.30 on the first Thursday evening of each month in Beachamwell Village Hall. The group is friendly and informal. Prospective new members and visitors are very welcome to join us. Just turn up on the night or phone Leah Spencer (01366 328536) or Helen Ranger (01366 328589)

BOUGHTON VILLAGE NEWS

News from All Saints' Church

It seems a long time ago, but we had our now traditional services at Christmas. The carol service was well attended, although illness prevented at least one regular member of the congregation, and the enduring popularity of the traditional readings and carols was once again revealed. It was Ken's first time as celebrant over the Boughton carol service, and all went smoothly. Thanks to Angela and Tony for

their help in decorating the church, which looked beautiful as usual, to Sandy and Frank for providing the mulled wine, with Tony's help, and to the volunteers who made sure the chairs were put out. We can't run the church without all these people giving their help and service.

Although we didn't have a service on Christmas Day itself, we had a well attended communion service on the 23rd and the equally traditional Crib Service on Christmas Eve. Traditional, but different, as our lovely donkey Bubbles had died earlier in the year

and we had two beautiful alpacas, living in the village, to take his place. They were beautiful and well behaved, and as Pippa said ' If Jesus had been born in South America, he would have had alpacas around the manger'! Many thanks for them, and to Pippa for taking the service, with Tom Golden on the organ.

Collections were made at the Carol Service and at the Crib service. A total of £291.77 was shared between Crisis at Christmas and Embrace.

Samaritan's Purse Shoebox Appeal 2018

Many thanks to those of you who filled a shoebox or two and made a difference to children in need throughout the world. We are pleased to report that we delivered 20 shoeboxes from Boughton to the local collection point in Wretton. You all expressed a wish to fill a shoebox again this year so look out for details in the autumn. Angela & Andrew

Poppy Appeal 2018

The British Legion Poppy Appeal house-to-house collection in Boughton raised £218.05. Many thanks for your generosity.

Boughton Fen Report for Parish Council Meeting 11.01.2019

The past three months have been quite eventful, with six successful working parties taking place over the three months. A number of new volunteers have come on board.

and we have been able to progress quite a bit of work that was thwarted last winter due to the terrible weather.

Another major change that has occurred is the installation of the second outfall, again frustrated by the weather over the previous two winters. Given the very limited window of the year in which work is permitted, all taking place in the winter, this kind of thing is always difficult, but with all permits in place and the contractor lined up and ready to go, the dry summer gave us an early opportunity to get this significant job done. The contractor was able to access the site without any difficulty at the end of October, and left the area in immaculate condition. I was then able to to ask for the access platforms to be fitted, and would like to thank Bonnet's for their incredibly swift response. I am sure they were pleased to get them out of their workshop after all this time.

Immediately before Christmas, the new Countryside Stewardship paperwork finally arrived, and I am now just awaiting the final documents. The Stewardship commenced on 1st January, with just under £6000 per annum to be used as directed by Natural England. There are some changes as to how they wish some of the work on the fen to be done, but it is itemised very clearly as to how much can be spent on what. All of the hardwork done by our Natural England Advisor, in conjunction with ourselves, has paid off, and things are very much better than we had expected this time last year.

It was disappointing, then, to find that the EA had been to clear the reed from the river, and in so doing had taken a significantly larger cut down the bank than they are entitled to, mulching it in a manner that contravenes our stewardship arrangements, leaving mud and slurry on our side of the river bank as well as other damage.

Fortunately, we have been able to meet with EA, and all parties are now working on measures to prevent such a lot of environmental damage being created in the future. Clearly we are happy for them to maintain their watercourse, but in a manner that does not jeopardise the fen, or our stewardship funding.

On a brighter note, Norfolk Wildlife Trust met with us, and our two professional contractors regarding the CWS section of the fen. They have funds derived from their members which may only be spent on sites with public access, so we are very pleased to have been awarded a substantial grant to pay for both grass cutting and scrub clearance.

Bill Miller

Many people will remember Bill Miller, who lived in the village for most of his life, before moving to a retirement home in Ripon. He cared devotedly for Joan after her stroke, and was one of the nicest men one could wish to meet. As Frank Reid said recently' Bill was a real gentleman' Bill died early in January and his memorial service was on Wednesday 30th January in Boughton church. I'm writing this before the event, but I am sure the church will be full with his friends.

STRINGSIDE DRAIN – BOUGHTON FEN – ADVICE FOR WALKERS

Recently, the Environment Agency have been doing some remodelling work to the bank of Stringside Drain, to repair the deep ruts and damage that occurred when they cleaned out the river. This has left some areas quite muddy and slippery in the short term. They have done their best to leave some sort of path for most of the length of the bank, but in places this has not been possible. Once the Spring growth starts to come through, this will start to re-stabilise, but in the meantime this part of the circular walk will need to be treated with caution.

WEREHAM VILLAGE NEWS

<u>Wissey Valley Players</u> is an exciting new drama group that has recently been set up for residents of Wereham and all of the surrounding villages. It is already proving to be very popular, but we are keen to attract new members from across the local community. The group meet every Thursday evening from 7.30pm to 9pm at Wereham Village Hall. The group is open to all ages, and is a great way to meet new people and enjoy play reading in a relaxed and fun way. We are currently working on two comedies by Alan Ayckbourn and some new pieces written by members of the group. We are not only looking for people who enjoy acting and singing, but also those who would like to try their hand at directing, stage management or set design. Can you help to make sets and costumes or props? Or perhaps you have skills in lighting and sound which would be invaluable to us. Why not come along to one of our meetings to find out more and join in.

Message from Santa Many thanks to all the children who came to see me at Wereham village Hall. Thanks also to the Elves that helped get all your presents ready. I hope you liked the presents I left for you on Christmas morning.

Be good in 2019. See you next year. Santa

Wereham Craft Group The craft group had our first meeting of 2019 on Tuesday 8th Jan and we will continue to meet in the village hall on the second Tuesday of every month. We have set the dates for this year's craft fairs, the summer craft fair is to be on Sat June 1st at 10am until 4pm, and the pre Christmas craft fair is to be on Sat November 2nd, 10am until 4pm. Any crafters out there who think they might like a stall please get in touch with me as soon as you can as the tables get taken up quite quickly. My contact details are, tel 01366 501330, or 07749240606,,email rosemary.pease@btinternet.com.

<u>Car Boot and Cafe.</u> Our regular car boot sales will be taking place on the last Sunday of every month throughout 2019. Cafe selling bacon rolls etc will be open every month. Please come and give us a look and try one of our bacon rolls, a warm and friendly atmosphere is always here and there is a children's playground outside. For details please contact Philip on 01366 501330 or 07759033492. E-mail rosemary.pease@btinternet.com.

Short Mat Bowls. Short mat bowls resumes on Thursday Jan 10th 2pm until 4pm. But as from THURSDAY April 4th we return to evenings 7pm until 9pm. New players always welcome, no experience needed, just come along and enjoy yourself. £2 per player with tea, coffee and biscuits served at half time at no charge. For details please contact

Philip on 01366 501330 or 07759033492, e-mail rosemary.pease@btinternet.com.

Wereham church festival

The time is fast approaching for us to start thinking about the 2019 church Festival. A successful day helps us to remain solvent and to continue to pay all the bills. On behalf of the PCC, I am pleased to invite all who are interested to come to a planning meeting in the church on Tuesday 5th February at 7.00pm. We welcome new ideas and offers of help. Many thanks, *Tom Golden*

Whenever a club holds an annual general meeting it is quite common to assume that the event will be received with less enthusiasm than normal but, not on this occasion; the westnorfolkaviationsociety.co.org and its members enjoyed an evening in the spirit of what would normally be regarded as a party, with food and liquor being supplied by our host and hostess at the Mundford Bowls Club. Entertainment was provided by a comedy double act comprising the Chairman, Chris Halliday, and the proxy secretary, David Allen.

A motion to re-elect all current officers was proposed and seconded. To confirm solidarity, the chairman light-heartedly bestowed upon the worthy, hand crafted medals he had constructed himself from non-negotiable UK currency.

Fred Miller, our technical officer, proposed the introduction of a logo to help others identify our organisation; this could be used as a transfer to emblazon various garments we might wish to adorn. The motion was carried and new member, Mem Memet, a graphics designer, agreed to undertake the assignment.

David Tyler, our treasurer, reported that we had a healthy set of accounts and it was agreed by all that the current annual club subscription of £10 per member should stand for the coming year. It would appear that this is not a deterrent to prospective recruits especially when the buffet each month is all inclusive. There is no restriction on membership and it's particularly nice to welcome a growing number of lady members and, lady speakers too.

After the meeting ended the rest of the evening was devoted to a video presentation, courtesy of Fred Miller and projectionist Andrew Barnes. This was entitled 'The Gimli Glider'. This aeroplane turned out to be a Canadian B767 airliner which ran out of fuel at 40,000ft and managed to land without loss of life on a disused airstrip actively being used for car racing events. The air accident report claimed that it was not pilot error or an aircraft fault but a situation brought about by lack of training i.e. an administration blunder; confusion over whether the fuel was measured in gallons or litres. Steve de Rouke, long standing member and retired airline pilot, then took the floor and spoke of similar experiences he had encountered himself.

At the end of the evening the secretary thanked the chairman for executing his duties so well and in return the chairman thanked the secretary for having been responsible for 'holding the club together' during the last twenty five years. In recognition of this David was presented with his favourite tipple, a bottle of Dalwhinnie malt whiskey together with a little light reading material; 12kgs worth of vintage aviation history.

Chris went on to thank our charming hosts, Val and Len, for their contribution and participation throughout the year and, likewise, were presented with tokens of our gratitude.

PUT YOUR BEST FOOT FORWARD IN 2019

As you read this, the weather may still be cold but nothing can stop the evenings from drawing out! Before long spring will be here and with it scope for new activities and challenges.

Here at the Magpie Centre, home of West Norfolk Riding for the Disabled Association, based at Wallington Hall, South Runcton PE 33 0EP. we are on the hunt for volunteers who can help with riding lessons on Tuesdays, 4.00 pm to 7.00 pm and provide support for carriage driving lessons on Wednesdays 11.00 am to 3.00 pm.

No previous experience with horses, nor of helping people with disabilities, is required as full training is provided. For the riding lessons, we require leaders for the ponies and "sidewalkers". The role of a sidewalker is to support a rider's leg to help them maintain balance plus relay instructions from the coach to the rider. This is most rewarding as it helps riders to improve their communication skills.

For those helping with carriage driving lessons, the role involves preparing the horses, learning how to harness them, assisting the drivers into the carriage, and/or following behind on a bicycle to help in case of emergency. All this in the spectacular grounds of Wallington Hall.

If you've "always wanted to learn about horses"; want to "get back into it", want to "make new friends", or just want to learn new skills while enjoying fresh air and exercise, call the Magpie Centre on 01553 810202 for an informal chat about joining our friendly team. If you can't manage the times stated but might be able to help at other times, call anyway!

And if numbers are more "your thing", we are still seeking a new Treasurer to join our team of Trustees. This role would suit a person, maybe newly-retired, who has book-keeping and/or accountancy skills. For more details, call our Chairwoman, Rosie O'Grady on 01366 500104.

Lily Advisors from local charities are available to offer one-to-one support to people at home or in community locations.

Lily has a strong focus on community development, by helping groups to arrange activities and encouraging volunteering, and by providing community events, onsite information sessions, and support for employers, schools, and colleges.

From 1 July 2018, our Lily service expanded to include everyone over 18, not just those in later years.

Lily provides a comprehensive range of support in west Norfolk to combat loneliness and social isolation in adults of all ages. The project is linked to the 'No Lonely Day' initiative and encourages our residents to develop friendships and engage in their local communities. The Lily online directory lists organisations, services and activities that help people to live healthy, active and independent lives. It includes information relevant to adults of all ages. If you would like your event or organisation to be included in the directory, get in touch asklily.org.uk

Traditional Values ...

Life has changed so much since this photograph was taken...

But the traditional values of honesty, integrity and service associated with the time are an essential part of our business.

So if you are thinking of buying, selling, letting or renting and seek the reassurance of an Agent practicing these traditional values, yet with a modern approach, please call us on 01366 388991

Saint John's Way Saint John's Business Estate Downham Market Norfolk PE38 0QQ

Easy access, ample on-site parking, dedicated sterile operating theatre, dedicated dental suite, separate dog and cat wards, isolation ward, all staff and facilities on one site, x-ray suite, inhouse laboratory, ultrasound facilities, Pet Passport, export services and 24 hour nursing cover.

Many practices now use other veterinary surgeries for their out of hours work. This means that you will have to travel to an unfamiliar practice which is likely to be much further away. Despite being only a two vet. practice we continue to do all of our own on call cover. The phones are diverted directly to the vet on call as we know that clients appreciate a familiar voice at the end of the phone, 24 hours a day, who knows their pets and, if treatment is necessary, then they prefer to travel to their own practice to be seen. This is part of our Professional and Personal service that our existing clients are accustomed to and we warmly welcome new clients who wish to register with us.

Our surgery times are listed below. Please note that appointments are now necessary for all evening surgeries.

Open surgeries: Monday to Friday , 9-10am, Saturday 10-11.30am

All other consultations will be by appointment only so please ring in advance info@crossingsvets.co.uk
