'FROM THE RECTORY'

Pastoral Letter July 2015

New Rectory High Street Fincham nr. King's Lynn Norfolk PE33 9AP 01366 348079

Dear All,

A teacher stood before his class with some items in front of him. He picked up a large empty jar and began to fill it with some rocks. He asked the class if the jar was full. They all agreed that it was. Next, the teacher picked up a box of small pebbles and poured them into the jar. He shook the jar lightly. The pebbles, of course, rolled into the open areas between the rocks. He then asked the students again if the jar was full. They agreed it was. Then the teacher picked up a box of sand and poured it into the jar and again he shook the jar lightly. The sand filled up all the small spaces. He then asked once more if the jar was full. The students responded with a 'Yes!'

'Now', said the teacher, 'this jar represents your life'. The rocks are for the really important things - your faith, your family, your health - things that, if everything else was lost and only they remained, then your life would still be full enough. The pebbles are the other things that matter, like your job, your home and the daily necessities. The sand is everything else.'

'If you put the sand into the jar first', he said, 'there will be no room for the important things - the pebbles and rocks. The same goes for your life. If you spend all your time and energy on the small things, you will never have room for those which are important. Pay good attention to the rocks, because they are critical for well - being. Take time for God and let your faith grow. Show love to others. Take time to look after your health. There will always be time for other, less important, things. Set your priorities. The rest is just sand.'

I pray that your priorities in life are always blessed by God and may your life never be clogged up by all that unnecessary sand.

Yours in his service.

BENEFICE NEWS

Friends of Nakwero working in Uganda

The Friends of Nakwero (FON), a West Norfolk based charity, is making a difference in Uganda.

It has just funded a borehole at the Norfolk Vocational Institute (NVI) in Nakwero so students have a supply of clean water all the time. Before this, after any stored rainwater had been used up, they had to buy water by the jerry can and bring it on site by bike. Most of the funding for this project came from the Church in the Woottons, which is continuing to raise money for the school.

FON has supported NVI in Uganda since 2007. The inspiration came from Canon Henry and Jane Lugolobi, long-standing friends of two of the trustees, John and Barbara Church, of Watlington.

They had a vision of helping young people develop practical skills, such as tailoring, hairdressing, IT, electrics and carpentry to help them earn a living.

To achieve this they wanted to build a vocational school. Within a year, using funds raised in West Norfolk, a four-classroom block has been built on donated land and the school opened its doors to the first students in February 2008, FON, now run by a group of 11 trustees, works in partnership with the Management of NVI.

The charity raises money from donations, presentations and from local churches including Congham, St Faiths Gaywood, the Woottons and the Watlington Group. It regularly sends money to Uganda to help with instructors' salaries and other running costs. Since 2007, more than £30,000 has been raised and this has funded about half of the costs of NVI, the other half being sourced in Uganda itself.

Most important of all, more than a hundred young Ugandans have been given a chance to earn a living for themselves.

If you want to know more about this or travel to Uganda with us to see for yourself, or even donate to the cause, contact me on 01553 810 584 or email ibchurch@care4free.net.

COUNTRYSIDE NOTES

Well, 'Gardens Open' has been and gone with Barton kicking off on the 7th June. Personally we don't normally have ours open at the beginning of June as there's not usually much in flower then but having said that when we are allocated the end of the month then quite a few things are past their best. Besides there's never a good time for everyone. Anyway, this year we decided we'd take a chance, at least there were a few roses and other things out but our clematis and most of the perennials, which by the end of June would have been making a fine show, are decidedly backward because of the miserable spring weather. While we try to have colour in the garden all year round late May and early June is an in-between time. June is a bursting forth sort of month and the matter of four weeks makes a huge difference to the garden whether it be vegetables or flowers.

This spring has proved to be extremely difficult for gardeners. Even right up until the end of May frost was a threat and one was left with the dilemma of planting out tender plants and then having to try to cover them up (not always easy and sometimes impossible) or leaving them in trays which could easily be put back Trouble is they reach a stage when they become weak and stunted. Cool day time temperatures, even colder nights and a strong breeze from a northerly direction does little to help them become quickly established even when they are planted out. Looking round my flower borders at the end of May I was trying to decide whether to leave in the wallflowers and forget-menots which were looking rather jaded but still provided some colour or pull them up and replace them with some bedding plants - decisions, decisions!! In the end they stayed. The plants in our garden often seem to be behind other peoples so it was more of a case of visitors having to use their imagination as to what it would look like if everything that was in bud was actually flowering, which it would have been bν the of Our poor outdoor tomato plants have suffered badly. Having just about survived being crammed into a small cold frame every other night when the risk of frost in rural spots was forecast, we eventually planted them out only for them to be subjected next to torrential rain and then to gale force winds a few days before our Gardens Open.

However we were blessed with lovely weather on the day and visitors flocked to the village from all around. Most of them stopped to have a chat asking about our garden or telling us about theirs. Once again David's albums of old village photos proved of great interest with many people discovering pictures of their relations who had once lived in Barton. **Jill Mason**

GARDENING TIPS

I am pleased to report that my efforts trying to save some of my plants earlier in the season have proved successful! I put most of the plants out into my cold frame as soon as practical, but nothing really started to move until we had a good shower of rain! That leads me to think that a lack of nitrogen may have had something to do with the problem, or my own water supply had become polluted in some way. Since recovery started I have been using the same rain water supplies to no ill effect so I still cannot give a positive answer to the original problem. I shall be watching points very carefully next season!

Hopefully, we can all look forward in a positive way to the summer season with thoughts of good weather and bountiful crops from our gardens. However, many gardens are very dry so unless we get quite a copious supply of rain, watering will be an absolute necessity. This latter will apply particularly to our soft fruit canes and bushes. Please do not overlook any plants in hanging baskets, pots and other containers these will dry out far more quickly than the open garden area. One thing to be remembered – continuous watering in a confined space dilutes the available plant food in that particular vessel, so feeding is an absolute must. I treat all of my plants, held in any form of container to a feed regularly once each week

Lawns are also prone to suffer under very dry conditions so leave the grass that little bit longer. Cutting too short exposes the roots to the wind and sun's drying effects. If you feel you must water then do not do it in the day time or most of the water will be lost to evaporation. Wait until the evening and water copiously, this will give the water its best chance to get into the ground and be absorbed by the grass roots. If you start watering, you will find the process has to be a continuing routine. Doing it 'every so often' can do more harm than good. I know a parched lawn looks terrible but unless you are prepared for extended use of a sprinkler system and a great deal of expense, watering becomes a questionable option.

Did you watch the BBC Chelsea programmes this year? I thought the coverage was rather better but I still think far too much of the popular evening viewing times are taken up with presenters pontificating and looking at the 'Show Gardens'. Perhaps a bit more time in the marquee or looking at some of the new greenhouse designs and gadgetry would be of more interest, to the enthusiastic gardener! Is it becoming a bit too 'top heavy' with personalities and

GARDENING TIPS

in danger of becoming just another television show rather than a prestigious garden event?

The roses are looking good this year, my climbers are full of good quality blooms. Early July is the latest time of the year to feed roses, otherwise they tend to produce too much soft growth too late which will not stand winter conditions. As the season progresses do not over-look the need to dead head spent flower blooms. This process, although somewhat tedious, certainly increases the production of more blooms later into the season. Keep an eye on any tall dahlias and chrysanthemums - to keep them at their best they will need staking and tying, otherwise any gusty wind will have them down and spoilt. To maintain the process of growth and flower production, sweet peas need a steady programme of feeding and watering. Keep cutting the blooms to stop the plants diverting their efforts into seed production. If you grow your own primroses, polyanthus and winter pansies, sow the seed early this month followed by wallflower seeds in the middle of the month. At this time of the year germination can be a problem, so having sown and watered the seed, keep it warm but shaded from the direct rays of the sun and keep the resultant seedlings semi shaded but in good light until they are reasonably strong. sunlight can seriously harm germination and young tender seedlings at this time of the year. July is the ideal month to split up overgrown clumps of Iris. Discard the old worn out rhizomes and pot up younger ones to be replanted in the flower beds later in the season. If it is very dry a very light water spray will help to set runner bean flowers. Once the flowers are set however, the plants will need plenty of water to make the beans grow quickly to produce those tender young pods that are so delicious!

PLEASE NOTE

It is the **Downham Market Horticultural Society's** annual Summer Show on Saturday, 12th July

Do please come along and give it your support.

Staging from 7.00 - 9.00am.

Open to the public at 11am.

Thank you

REGISTER OF ELECTORS

This year's annual registration exercise starts towards the end of July and everyone will be responsible for their own registration. This is called Individual Electoral Registration (IER) and replaces the previous system which allowed one member of a household to register everyone who lived at their address.

The first part of the registration process is the issue of a Household Enquiry Form to collect the details of people aged 16 or over. Anyone new to an address or who is not currently registered under IER will then be sent an individual registration form.

The Electoral Registration Officer would very much appreciate householders' co-operation in completing the Household Enquiry Form as quickly as possible. A prompt response to any individual registration forms issued would also be helpful.

Online registration is now available at www.gov.uk/registertovote and only takes a few minutes.

If anything is unclear, householders or individuals can contact the **Electoral Helpline on 01553 616773 (West Norfolk) or 01362 656271 (Breckland).**

FIND THE "NATIONS' FAVOURITE WILDFLOWER"

And the Nation's Favourite Wild Flowers are...

Its official – after nearly 3 months' of voting, the public have had their say.

June 09 2015 Public votes counted and the favourite wild flowers of England,
Scotland, Wales and Northern Ireland revealed as:

- <u>Bluebell</u> (Hyacinthoides non-scripta) for England
- <u>Primrose</u> (Primula vulgaris) for Wales
- Primrose (Primula vulgaris) for Scotland
- Primrose (Primula vulgaris) for Northern Ireland

From a shortlist of 25 wild flowers, including honeysuckle, cowslip, poppy and foxalove. two spring flowers woodland have emerged as favourites each of the UK countries. While bluebell, known for carpeting spring woodlands in shimmering indigo, has come out on top in England and taken most votes overall in the poll, in a surprise result the humble primrose has clearly stolen the hearts of the Welsh, the Scottish and the Northern Irish.

There were also differences in opinion over which flowers should be placed in the top three for each country.

In England, primrose came a close second and poppy was third, perhaps spurred on by this year of remembrance

FIND THE "NATIONS' FAVOURITE WILDFLOWER"

<u>Wild daffodil</u> - the well known national emblem for Wales - didn't even make it to the top three, with bluebell and wood anemone coming second and third behind primrose.

In Scotland, primrose was way ahead from the start, pushing "English bluebell" into second place and having a close-fought tie with harebell – a beautiful wild flower often called "bluebell" in Scotland.

In Northern Ireland, bluebell took second place behind primrose, with foxglove - which thrives on acid soil and is found in nearly every part of the country - coming third.

Dr Trevor Dines, botanical expert at Plantlife, who are behind the vote says: "I'm really surprised – and quite delighted - that primrose has come out tops in Scotland, Wales and Northern Ireland. This might reflect their curious pattern of occurrence; in northern and western Britain, where it's wet and cool, primroses often spread out of woods and colonise roadside banks and verges. Perhaps they're more visible as a result and are just more part of people's lives." Many voters were keen to explain their choice of wildflower. "One chap told me he voted for primrose because he thought they were 'just perfect, and could not be improved in any way'".

The Nations' Favourite Wild Flower Vote is part of Plantlife's 25th anniversary celebrations. Well known voters included Rachel de Thame, the charity's Vice President who loves snake's-head fritillary, and Mike Dilger, TV presenter and naturalist, who-voted-for-lesser-celandine.

Marian Spain, chief executive of Plantlife says: "We're thrilled that so many people voted – it's a clear sign that people value and cherish the wildflowers around them. But some of the flowers on the list are declining – <u>pasqueflower</u> is now vulnerable to extinction and even widespread plants like <u>ragged robin</u> and harebell are becoming threatened in England. I wonder how many of these will be around when we repeat the vote in 25 years time? That's our challenge – to <u>keep the colour in the countryside</u>." Thank you to everyone who voted!

If you love wildflowers like we do, why not join us in our quest to bring colour back to the countryside? Here's a few easy ways you can help:

- Become a member www.plantlife.org.uk
- Support the campaign to manage road verges better for nature
- Take part in the National Plant Monitoring Scheme

BARTON BENDISH CHEESE AND WINE QUIZ

Thank you to all who took part in our quiz. There were 11 entries that got 50 out of 50. The winner of the draw was Sue Davis from Bunwell near Norwich. We are pleased to say that approximately 150 people took part. Many thanks as always to the people who sell the quiz sheets on our behalf. We are urgently looking for more people who would be prepared to sell our quiz sheets -it does not have to be in big numbers – selling 5 is a great help, either locally or further afield (we currently have friends and relatives of 'locals' selling them on our behalf in Somerset, Yorkshire, Scotland and Cambridgeshire!!) Or if you know of a business or organisation which would be prepared to have a stand with some in to sell, please let us know. Other charitable organisations are welcome to use part or all of this quiz sheet but we ask that a donation is made to St Andrew's Church Fund

Look out for our next quiz sheet which will be available at the end of July. If you would like a copy sent to you, please sent £1 or a cheque made payable to St Andrew's PCC and an SAE to:

WATER IS LIFE

This is good to know....

How many folks do you know who say they don't want to drink anything before going to bed because they'll have to get up during the night?

Something else I didn't know... I asked my Doctor why do people need to urinate so much at night time?

Answer from a Cardiac Doctor

Gravity holds water in the lower part of your body when you are upright (legs swell).

When you lie down and the lower body (legs and etc) seeks level with the kidneys, it is then that the kidneys remove the water because it is easier.

This then ties in with the last statement!

I knew you need your minimum water to help flush the toxins out of your body, but this was news to me.

Correct time to drink water... Very Important.

Answer from a Cardiac Specialist!

Drinking water at a certain time maximizes its effectiveness on the body:

- 2 glasses of water after waking up helps activate internal organs
- 1 glass of water 30 minutes before a meal helps digestion
- 1 glass of water before taking a bath helps lower blood pressure
- 1 glass of water before going to bed avoids stroke or heart attack
- I can also add to this... My Physician told me that water at bed time will also help prevent night time leg cramps. Your leg muscles are seeking hydration when they cramp and wake you up with a dreadful pain.

WEST NORFOLK RIDING FOR THE DISABLED

Can you help us, please?

We need ordinary folk to do ordinary tasks - all you need are comfy shoes and a fleece when its cold! We need volunteers to walk along side a rider on a pony, help with fund raising events, help with fields, mucking out and grooming horses and ponies. DBS will be required and training given. Our horses and ponies give wonderful therapy - we need help to make it happen! Give us a ring and come up and see the action. 01553 810202

Twelfth Night

Thursday 16 July, 7.30pm (Gates open at 6pm)

Join the Lord Chamberlain's Men this summer to see Shakespeare's best-loved romantic comedy. A joyous tale of love, longing and laughter and mischief, mayhem and mistaken identity, set in fair Illyria. If music be the food of love, play on! Bring rugs or chairs and a picnic.

Refreshments available to purchase.

Booking essential on 08442 491895* Adult £13.50, child £10. Prices on the night (if available) £15.50. £12.

Scything Day Saturday 25 July

Watch our expert scythers cutting the meadow in the orchard and even have a go yourself. Richard from Emorsgate Seeds will be explaining why this ancient art is important, as well as being a 'calmer' method than a lawnmower and better for keeping fit! Also find out how you can create a wildflower meadow from scratch. Normal admission

RECIPE PAGE

Crab and Sweet Corn Soup

Ingredients

11/2 tbsp corn oil; 4 oz cooked crab meat; salt; 1tbsp rice wine or dry sherry;

12oz can whole corn kernels; 2 pints chicken stock; 2 lightly beaten eggs (whole eggs or simply beaten egg whites); 2 level tbsp corn flour

Method

Heat oil in saucepan.

Add crab meat, season with salt and wine.

Add drained corn and chicken stock.

Bring to the boil, reduce heat and simmer for 5 minutes.

Add corn four blended with a little cold water.

Cook for a few minutes then finally add eggs and cook for a further minute.

Sweet Potato and Lentil Soup

Ingredients:

4 big sweet potatoes; Big mugful of yellow or red lentils; 1 large onion;

2/3 dried chillies or a very small one chopped (be careful with them, add bit by bit and taste regularly) or you could just add some black pepper)

Tin chopped tomatoes; Seasoning; Greek yogurt/crème fraiche for topping (optional); Chopped parsley (optional)

Method:

Peel and chop the sweet potatoes into very small pieces and boil until fairly soft.

Meanwhile chop and fry the onion in a large separate saucepan until soft.

Add a pint of water, add washed lentils, bring to the boil and leave to cook on a low flame.

When the sweet potatoes are ready mash them and add to the lentils when they are nearly cooked.

Keep liquid from the sweet potatoes to top up the soup if it becomes too thick.

Stir it all in and watch over it, giving it a stir every so often.

When it is thickening and the lentils are soft add some of the very finely chopped chilli (optional), some salt and the tin of tomatoes.

Add water or potato juice if needed.

Add Greek yogurt/crème fraiche for topping and some chopped parsley

BARTON BENDISH VILLAGE NEWS

Congratulations Freda Rumball

Freda has recently been honoured by the Royal British Legion in recognition of providing sixty years of service through selling poppies in Barton Bendish and Eastmoor making her one of the longest serving Poppy Appeal Collectors. During a meeting of the Downham Market Branch at the beginning of May she was presented with an additional bar to her 50 year collection badge.

Congratulations Grace Davies

Seven-year-old Grace Davies of Barton Bendish recently competed in the gymnastics Compulsory Levels Championships in Ipswich and brought home her first regional gold medal when she became Compulsory 5 regional champion.

Grace is also a member of the East regional squad. She attends the Cherry Tree Academy Marham Infant School and travels to Attleborough four times a week for extensive training sessions. Such dedication deserves reward so let's hope that she goes on to win many more gold medals. Well done

Gardens Open

How lucky we were that the arrival of summer (even if it was for only a day!) coincided with our Open Gardens and people flocked to the village to enjoy looking round the twelve gardens which were open. The ploughmens' lunches were so popular that they were sold out by one o'clock leaving a few potential customers disappointed. However there was a good selection of cakes and scones available and these were also all gone by the end of the day. It is so difficult to know how many to cater for with these kind of events.

The number of cars on display varied as some arrived late, but around 10 cars and one classic boat were on show. These included a model A Ford, a Humber from a similar era, a Bentley, an MG, a 1940's Morris Minor Estate, an Austin Healy, a Healy Sprite and a Healy Boat as well as two or three others.

Everyone involved on the day was kept extremely busy but it proved very worthwhile as a record £1,800 was raised for St Andrew's. Repairs to the structure are taking place at present so this grand sum will be a great help towards footing the bill.

A big thank you to everyone who helped and who visited.

Parish Council

Do you have a request that you would like the Barton Bendish Parish Council Project Subcommittee to consider? Previous projects we have organised include the Village Centre Sign, landscaping the War Memorial, holding events to celebrate the Queen's Diamond Jubilee.

Sometimes we are able to access funds to help with our projects. We also need ideas, particularly from Eastmoor residents, for the future of the recently acquired telephone box in Eastmoor.

Please contact Val McAlister 347570, Maureen Buck 347703, or Will Chapman 328220.

Barton Bendish Annual and Ordinary Parish Council Meetings held on 13th May Annual Parish Council Meeting

The meeting was chaired by Cllr J.R.Bostock, who was re-elected as Chairman for the coming year, 2 parishioners attended.

Reports were received from the Village Hall Trustees and the Poor's Charity Trustees

The end of year accounts for 2014/15 were approved by the Parish Council and documentation completed for the External Auditor.

At the meeting the Parish Council agreed to co-opt two new members to bring the Council up to their allowed number of seven. If you would be interested in joining the Parish Council please contact the Parish Clerk on the details shown below.

Ordinary Parish Council Meeting

Approval was given for purchase of an additional grit bin to be located on Church Road, at the junction with Hatherley Gardens.

BT confirmed that the Parish Council adoption of the telephone kiosk in Eastmoor has been completed.

The next meeting of Barton Bendish Parish Council will take place on Wednesday 8th July, 2015. This will be an Ordinary Parish Council Meeting starting at 7.00 pm in the Village Hall.

St. Mary's Church

By the time this magazine is published our Open Gardens' Day will be almost upon us and I do hope you will be able to come along and enjoy this event. Twelve gardens will be open and there will be Ploughman's lunches available plus Afternoon Teas in The Old Rectory Garden with some live music. There will be cakes and plants for sale together with a raffle. We have booked a lovely warm and sunny day with a slight breeze so it should turn out to be a perfect day.

The porch roof restoration is now complete and netting has been incorporated to keep the pigeons away from the top of the roof but as a number of people have noticed the pigeons are damaging the newly restored inside of the porch. We have decided, therefore, that we need a bird gate to be installed at the front of the porch. As the church is a listed building we have to comply with English Heritage and Diocesan rules so the architect who organised the porch restoration is in the process of providing us with drawings and costs. The main concern of both English Heritage and the Diocese will be the way the door is attached to the building and we will need their consent for this. We have been assured that our request will be dealt with as quickly as possible.

Our Afternoon Teas are continuing on the third Wednesday of each month in Beachamwell Memorial Hall. Unfortunately, due to circumstances beyond our control, there will not be an Afternoon Tea in July but put August 19th in your diary for the next one. See page 31 for an article about the Afternoon Teas.

On a personal note our move to Barton Bendish is taking longer than anticipated and we have therefore decided to cancel our Scrabble afternoons for the summer and re-start in September in Barton Bendish providing everything works out for us.

Finally I would like to welcome The Rev'd Gillian Mann who is a retired priest living in Outwell. Gillian will be assisting Barbara by taking Services in Beachamwell for the foreseeable future and is hoping to get involved with all aspects of St Mary's Church. Some of you will already have met Gillian at the Half-Marathon and at recent Services.

Graham Williams (Church Warden)

Another pair of hands for Barbara

Barbara is getting quite good at finding ways of being in two places at once in

Gillian Mann and I am a retired priest living in Outwell. I have already had the opportunity to meet people in many of the congregations of Group4 and surrounding villages and I have found some really lovely new (to me) churches. Now Barbara has asked me to be involved particularly with Beachamwell church, taking on some of the things which she has been doing there, so for requests about baptisms, weddings and home visits there, do please get in touch with me.

her many churches. I am the latest one: my name is

She is priest in charge, so she is still there for you but I am generally the one to get in touch with in the first instance. I look forward to hearing from you.

Beachamwell Afternoon Teas

Held on the third Wednesday of each month, 2 – 4 p.m. in the Memorial Hall.

We have been enjoying Afternoon Teas on the third Wednesday of each month for six years now but over the last year there have been fewer people joining us. We do understand the reasons why as a number of our "regulars" have left the village and several of our older friends have sadly passed on. We would like

to extend an invitation to everyone in Beachamwell and the surrounding area to come along. It would be lovely also to meet people who have moved here recently. We are very happy to see young families and would welcome them. It is a great way of meeting other residents of all ages.

There is no charge but once every 3 months or so we put out a donation box. This is to cover the tea, milk, coffee, sugar, squash etc as the cakes are mostly donated and the Hall's Committee generously do not charge for use of the Memorial Hall. (Donations of 50p or £1.00 every 3 months keeps us going nicely).

I do hope you will be able to join us soon. The next Afternoon Tea is Wednesday 19^{th} August from 2-4 p.m. in Beachamwell Memorial Hall. (Look out for the "teapot" notices around the village).

Wednesday Walkers

June found us scaling the heights of the Long Drove to take in the views across

West Norfolk. From the top we could spy Fincham and Barton Bendish churches, the distant ridge that carries the A134 in the far distance on one side and across to Pickenham on the other. All was lovely and lush as befits the beginning of Summer.

Next month we hope to explore the forest rides to see the flowers, butterflies and birds. Come and join us

and bring your bins for a closer look at what we discover.

Beachamwell Horticultural Society – Annual Show

If you are a Beachamwell Parish resident, you should now have your 2015 Schedule for the Annual Show and we hope it has given you lots of ideas for what you can enter. The show will be held in the village hall on Sunday 16 August. We hope there will be lots of entries in the traditional vegetable and flower categories, as well as in the preserves and crafts sections. New this year is a Victoria sponge cake and there will be another Family Scarecrow competition, based on a film character. Let's have lots of entries in all sections to make it a show to remember.

The show is open to everybody living in the G4News distribution area. If you need a schedule you will find them in Beachamwell and Barton Bendish Churches or please contact

Carole Wilson 01366 328628 or Leah Spencer 01366 328536.

Beachamwell Memorial Hall (Charity registration number 303900)

By the time you read this, the Beachamwell Barn Dance at St John's Farm will be but a memory – more news in next month's edition!

The next Pop up Pub is booked for Friday 24 July, just in time for the start of the

children's long summer holidays. Why not join us for a picnic? If it is hot you can sit outside and the children can play on the play area; if it's wet you can sit inside. Bring your own food, plates, cutlery etc and let us sell you refreshing drinks. It should be a fun evening for all ages. It's possible that there will be a barbecue, so watch out for flyers, posters etc. nearer the time.

We are making good progress with plans to improve access to the hall for people with disabilities and hope to start making grant applications soon. Our hall is a very valuable meeting place within the community and our aim is to make it accessible to all!

BOUGHTON VILLAGE NEWS

Boughton Village Caravan Social Gathering – 4th July 7 pm

A reminder that on Saturday 4th July the BVC are holding a social evening at All Saints' Village Centre at 7 pm. This is not a fund raising event, just a social gathering with an opportunity to come and say hello and meet fellow villagers over a glass of wine and light refreshments. It would be great to see some new village faces as well as the more familiar ones. Children also welcome.

If you would like to come along and have not yet responded, please contact **Debbie 01366 502224 or Angela 01366 501335**

The Boughton Village Drive Sale – is back again by popular demand!

This event has proved so popular in previous years with stall holders and bargain hunters alike that a further one is being held on Sunday 30th August.

Stall Holders: A perfect opportunity for you to have a summer clean, clear out your cupboards and garages of all those unwanted items and make a few pennies in the process. If you wish to have a stall on your drive, or indeed would like to make use of the perfect setting around the pond, then please contact Angela Faherty on 01366 501335 who will ensure that your name and details are added to the Bargain Hunter's Map. All we ask for is a £5.00 donation.

Bargain Hunters: We welcome you back if you have been before and would love to see some more of you attend this year! The famous 'Bacon Boys' will be on hand to serve a well needed bacon roll to start off your bargain trip and refreshments will also be available at All Saints' Village Centre. Set aside this date in your shopping calendar and we look forward to welcoming you. **BVC**

Boughton Playground Project Fund-Raising Update

We are pleased and extremely grateful to report that £159.55 was raised at our Afternoon Tea event in May, so once again a big thank you to all of you who supported us.

As you know our action group was formed by Boughton's PC last year to look into the refurbishment of Boughton's play area, the existing equipment which was installed in 2004 had an estimated lifetime of around 15 years so we anticipated that we had a few years to canvass, research and fund-raise. However, following this year's annual park inspection the swings are no longer in use. The group are now urgently looking at how best we can remedy this short-term issue whilst keeping the long-term goal in mind. We have approached a number of organisations for donations and will shortly be contacting those of you who have kindly pledged support.

So your support with our fund-raising is more important than ever, providing a

November, Winter Wine Tasting. Andy, Angela, Jenny and Carol

Boughton Fen: Since the recent general and local elections, Boughton Fen Committee has also seen a few changes in its line up.

I would like to welcome on to the committee our new Parish Chairman, Tom Roberts and new parish councillor, Ian Davis. Thanks must go to previous members Allan Hale, Kevin Fisher and Frank Reid for their contributions over the past eight years.

The new committee will continue to improve Boughton Fen, working along with Natural England, Norfolk Wildlife Trust and other organisations. We are planning our work for the year ahead which will give anyone who is interested the opportunity to get involved in our working parties.

If you would like to know more about our activities on the fen, and would like to participate, please call me on 01366 500461, or

Open Gardens Day 2015: Sunday June 14th was an important date in the calendar for Boughton – our annual Open Gardens Day. For months, I'd been cajoling and persuading people to open their gardens in support of All Saints' Church, contacting newspapers and local societies to publicise the day, Sandy had been digging out her notes and gathering her trusty band to provide the usual excellent and renowned Boughton lunches and teas and Angela and Andrew had been preparing for the Garden Emporium, (other villages just have a plant sale!)

The day dawned – chilly, drizzly and grey. At least it was better than Saturday, which was very wet. We all agreed that rain was needed but not on that day.

On the morning, I went round as usual putting out the flags which indicate the gardens on view. It took me ages because I was stopping to chat with good neighbours and meeting a new and unexpected garden owner. I kept clear of the church, as I don't get involved with any aspect of cooking, until it was time to go down and get my 'takeaway' lunch to eat as I welcomed the visitors to my garden. I think they all started with lunch but early in the afternoon the first visitors reached our end of the village — a bit like listening for the first cuckoo. It was good to see old friends who come every year, including the churchwarden

BOUGHTON VILLAGE NEWS

from Dersingham and some new faces, together with a couple over for the summer from Australia. I find it interesting to watch people's reaction to my garden, which is 'very full' and has a lot of wildflowers at this time of year (a good display of campion) and you either love it or hate it. All the gardens in the village are very different, from enormous – visit Boughton Farm – to small. They are loved and cared for and the PCC is really grateful to all the owners for opening their gardens and making visitors so welcome. There were fifteen gardens open in the end, including two last minute entries. There have been requests from the garden owners for a separate evening occasion so that they are able to visit the other gardens. Perhaps next year we will be able to arrange it. It was done once in the past but not recently.

Having thanked the garden owners, we must say how lucky we are to have Sandy to arrange the refreshments, which are a crucial part of any such day. Just as for Breakfast Church, the church looked beautiful, laid out with tables which were a delight to observe – no polystyrene cups or paper plates here. As my takeaway lunch testified, the food on offer was delicious. Thanks also to Sandy's helpers – Frank, Debbie, Lynne, Marion, Kevin, Pete and Andy who all did great work and as well as putting up the village marquee. Sandy also had Sue (Scrivener), Jane, Jackie Ovel and Wendy Baines helping in the Church and a lot of people made cakes for the teas.

The Garden Emporium was run by Angela and Andrew and always looks good as well as having a range of plants and garden related objects. Thanks to them for putting up signs outside and within the village to draw attention to the day and for arranging parking at the surgery (thanks to them as well!)

Alan Wilkinson printed the tickets and Tony Golds sold them, aided by Dave from the chapel. (I'm afraid I don't know his surname but it is good that some of the newer residents of the village are joining in and getting to know everyone.)

I don't yet have a total for money raised. We had 89 intrepid visitors who paid to go round the gardens, so that raised nearly £360 (including a donation), Angela and Andrew's Garden Emporium raised the same amount and the tombola raised about £98. I've just received Sandy's total and lunches raised £522. If my late night sums are right, that's over £1300 towards our church share. Considering the weather, it's a jolly good show and also brought the village together.

Thanks again to everyone from the PCC.

Wereham Church May Miscellany

About 90 people enjoyed the concert in St Margaret's church Wereham on 23rd May which started with a glass of Prosecco in the church yard. The Church looked splendid with its spring picnic theme and stunning altar flower arrangement thanks to the excellent work of Sue C.

The Fincham Chorus sang 12 songs beautifully including, 'Linden Lee', 'All in April evening' and 'You raised me up'. Their sets were complemented by poetry and prose readings by Frank, Greg, Charles, Sue C, Sue S and Paul and solo singing. One of the highlights of the evening was the children (Lauren, Thomas, Dexter, Faye, Mathew and Kristian) performing 'Dog in the playground' in choral speech and some comic verses.

Solo's by John (Flanders and Swan's 'The gas man cometh') and Dudley ('Lonnie Donnigan's 'My old Man's a dustman') gave everyone an opportunity to sing along with the chorus.

Jane's solo 'Summertime' from Porgy and Bess brought the first half to a rousing conclusion and led to us all enjoying a glass of wine and an excellent spread prepared by Gordon.

The evening was not without its excitement as two of our performers from London spent rather longer on the M25 than expected and arrived just in time for their items. Dom also ably stepped in to accompany the Fincham Chorus on the piano as Tom was unable to attend.

Many, many thanks to The Fincham Chorus, to all the performers, to Gordon and Sue, to all who attended, to Tom and Debbie who masterminded the event and to all who helped make this a lovely evening which raised £388 for St Margaret's Church.

May Miscellany

This event, masterminded by Tom, Debbie and Ian, was really enjoyable. As Ian has written, there were many and varied contributions. The Rye family deserve special thanks for all their contributions.

Gordon and I should like to thank those who helped us serve the food and particularly Ivy and Charles and Pammie Walker for returning to church on Sunday morning to clear up. This job was swiftly accomplished in 45 minutes... Charles is a whiz with a vacuum cleaner! Thanks again for the help. **Sue C**

June in Wereham

It's June 6th as I write and the preparations for the various local summer events are very much underway. There is much attention to details, concerning cakes and prizes happening in the villages around and about. Many of you have already attended one of the Open Gardens or fetes in our area and had a great afternoon.

As you read this, the Open Gardens in Wereham will have taken place. As I write I know it will be a great couple of days for Wereham.

Now it is July

The month of St Margaret's Festival.... A Wereham village tradition of many, many years. Yet again the organisation and involvement of villagers makes this event tick on. It's strange that when something is done well, it looks easy; in reality much effort is involved. Once again a team of villagers will have worked many hours to produce a day we can all enjoy.

So remember Sunday 19th July ... St. Margaret's Festival. Do come to the church and join in.

There will be all the traditional events, stalls and games. As well as BBQ food, tea and cakes and this year SPECIALLY FOR THE CHILDREN there will be a

TEDDY BEARS' PICNIC in the church...a feast for your eyes...a little moment of childhood delight. A display of Teddies, loaned for the day by the children and adults of Wereham Village. Please support this theme by encouraging your children to bring their teddies to join the party to be part of a special Wereham

family day. Details:- see the quarter page advertisement in this edition.

Additionally for this year a NEW STYLE RAFFLE has been introduce a cash

prize of £150, £100, and £50.....money for a special treat to be enjoyed...good luck to all.

If you can supply a small prize, for one of the games stalls or a cake or help to clear up at the end of the day...your efforts will be much appreciated.

It is true...Many hands make light work.

Questions and offers to Lizzie 500233...we all benefit...thank you.

PS. Remember! 'Flowers for the Church' again please. Buckets from Thursday 16th. Thank you.

Make Sunday 19th July a Bumper Festival Day.

Wereham Messy Church

Thursday July 2nd 4pm -5.30pm

Starts in the church followed by activities and a free meal in the Village Hall The next Wereham Messy church is on July 2nd. The theme is the story of The Battle of Jericho. It will again be informal, fun and enjoyable. It will include stories, singing, activities and FOOD don't miss it. We are looking forward to seeing you there.

Please put these dates in your diary

17th September Harvest and 27th November Advent

Look out for further details.

To book places or for further information please telephone 01366 502083 or call in at The Old Chapel by the pond or just come on the night and see for yourself.

Parish Council

The Annual Wereham Parish Meeting was held on 12th May. Members of the Parish welcomed an informative presentation from the Borough Council's LDF team about the Site Allocations and Development Management Policies Document. Also presented was the Annual Parish Council Chairman's Report. Minutes are available from the Parish Clerk Wereham Parish Council

Wereham Parish Council met on 12th May where we welcomed back Councillors Jo Bruce, Gail Koopowitz, Brian Bruce and Nikki Loake and our new member Jacki Hitching. A productive Annual Parish Council meeting included:

- ^ Reappointment of Cllr Jo Bruce as Chair and Cllr Gail Koopowitz as Vice Chair;
- ^ Reviewing the formalities of the Council;
- ^ Agreeing progression of the successful Parish Partnership bid to purchase a SAM2 speed warning sign for the village and to fund a dropped kerb and restricted parking area in front of the new post box at the pond to improve access;
- ^ CGM were appointed to undertake Play Area maintenance works to be undertaken through May / June to result in a much improved area;
- ^ Development of a website was approved;
- ^ The annual audit was completed and approved

Full Draft minutes of the meeting can be requested from the Clerk as below

*****Two Wereham Parish Councillor vacancies remain! This is your chance to get involved. For further information on how you can become a Councillor and make a difference to your community contact the Parish Clerk as below.*****

Once again a reminder for all to use the dog waste bins and clear up after their pets. There are three dog waste bins in Wereham, one on the playing field by the Village Hall, the second at the Flegg Green end of Lammas Meadow Lane and the third along Cavenham Road, please pass by one of these and use it to dispose of any dog waste responsibly at all times.

When visiting the Village Hall by car please avoid parking on the playing field where possible. The grass gets churned up and damaged in bad weather, please look after the field to avoid the need for costly repairs.

The remaining Wereham Parish Council meetings scheduled for 2015 are:

Tuesday 14th July 7:30pm Ordinary Meeting

Tuesday 8th September 7:30pm Ordinary Meeting

Tuesday 10th November 7:30pm Ordinary Meeting

All will be held at Wereham Village Hall.

The Agendas for the meetings are always published on the Wereham Village Notice Board three clear days before the meeting and also on the Wereham Parish Council Facebook page. If you have any items that you wish to be discussed by the Parish Council please always ensure that these are with the Clerk.

Mrs Nicola Cooper at werehampc@gmail.com or Clavering House, Stoke Road, Wereham PE33 9AT or 01366 500527 by the end of the month before the meeting to ensure that they are included on the agenda.

Thanks for the Memories......

We would like to document history of the current Village Hall to become part of a heritage display in the new hall. If you have any photos or stories from using the hall or about the hall, please get in touch with on 01366 502083 or 07863049677, or email ian_rye@msn.co.uk or call in at the Old Chapel by the pond.

June Update from Wereham Village Hall Committee

Our thanks to everyone involved with Village Yard Sale and Car Boot which proved to be another successful event.

Plans are now well ahead for the Annual Village Fayre which will be held on the playing field/in the hall on Sunday 6th September. It's always a great day out and, as usual, the Friends of Wereham Village Hall Group (FoWVH) are putting together a fun packed event. As well as the usual dog show, car boot and classic cars, watch out for some new attractions this year.

If you would like to get involved with the Friends Group, we are always looking for new volunteers – there are jobs for everyone. Please phone 01366 500218.

Update from the New Build Project Team

Just a short update this month as we are all surrounded by Stage 2 Lottery application paperwork. The submission is going well and we have submitted part of it in draft to both Community Action Norfolk and the Lottery for their feedback. We are working on the balance of the reports with our architect Liz from Parsons & Whittley. It looks like we should be on target for the deadline of 28th July!

Thank you all for your continued support from the project team: -

Victoria Gray, Helen Richardson, Rachel Barron and John Eastgate.

Wereham Village Hall Bonus Ball Club

The lucky winners in June were Ian Trollope and Julie Eaves – congratulations to you both!

Easy access, ample on-site parking, dedicated sterile operating theatre, dedicated dental suite, separate dog and cat wards, isolation ward, all staff and facilities on one site, x-ray suite, inhouse laboratory, ultrasound facilities, Pet Passport, export services and 24 hour nursing cover.

Many practices now use other veterinary surgeries for their out of hours work. This means that you will have to travel to an unfamiliar practice which is likely to be much further away. Despite being only a two vet. practice we continue to do all of our own on call cover. The phones are diverted directly to the vet on call as we know that clients appreciate a familiar voice at the end of the phone, 24 hours a day, who knows their pets and, if treatment is necessary, then they prefer to travel to their own practice to be seen. This is part of our Professional and Personal service that our existing clients are accustomed to and we warmly welcome new clients who wish to register with us.

Our surgery times are listed below. Please note that appointments are now necessary for all evening surgeries.

Open surgeries: Monday to Friday, 9-10am, Saturday 10-11.30am

All other consultations will be by appointment only so please ring in advance info@crossingsvets.co.uk
