NOTES FROM THE RECTORY

Dear All.

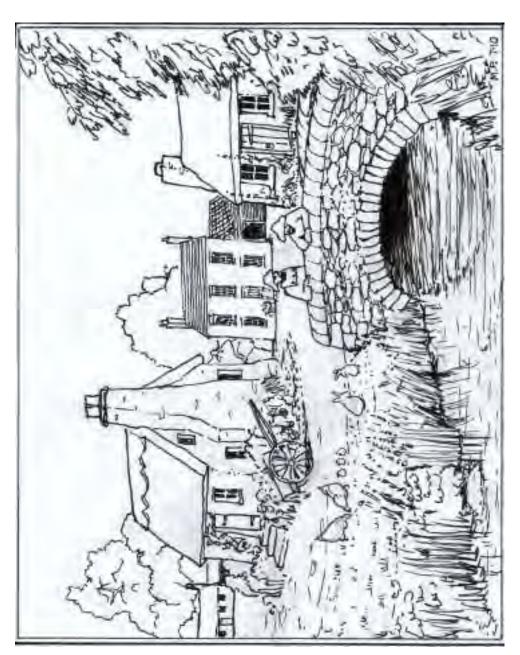

Recently I had to fill out an annual review form and one of the headings had "Leisure Activities (what do you do for fun?)". And it totally stumped me. What do I do for fun? I thought I should be putting lots of things down like, skiing, running marathons, dancing and saving the world. But I don't do any of those. I don't even garden or socialise. Panic started to set in. These people are going to think I'm a really dull person if I don't put anything in the box. Oh my. What do I do for fun? So I had a cup of tea, which is a good cure for all ailments and sat back down with this application form. Nope, still nothing. I asked Wendy what do I do for fun and her answer was 'when do you have time to have fun?'. That was it! My answer. I have a full time job, I spend about 10-12 hours a week studying and reading, I'm a member of a few committees, I research and write up my sermons and I take a few services at church, oh yes, and occasionally I bump into Wendy and my sons around the house and we catch up on things going on. Apparently Wendy has retired and my son is working for a living – when did all that happen? I think my fun is learning new things on, attending committee meetings, leading services and bumping into my family every now and then. Mind you, I also have time to watch films, listen to music and I can't miss Biffa on You Tube. God made us all different, which is great, and that is something I thank him for daily. We all have just this one chance on earth and we have to live life to the full or we make a mockery of what God has given us. I for one thoroughly enjoy my type of fun - how do you enjoy yours? God Bless.

COUNTRYSIDE NOTES

Basketry dates back twelve thousand years and baskets were made in many different shapes and sizes to carry and store things and catch aquatic creatures such as crabs, lobsters and eels. Traditional wicker baskets were made from plants and trees growing locally with willow, which is widespread, being the primary source. Hazel, oak, ash, sweet chestnut, pine, elm, reed and straw were also utilised and methods included looping, knotting, plaiting, coiling, weaving, and twining.

The Somerset wetlands were the heart of Britain's willow (also known as osier or withy) industry. Willow grows rapidly with the new flexible growth being harvested in the winter. Sometimes it's used with the bark on but more often it is stripped. The rods are then left to dry for storage but need immersing in water for several days before use to regain their flexibility. Baskets are made by using rigid willow rods to create the shape and weaving thinner, flexible ones round the structure. The Industrial Revolution created a high demand, in 1891 there were 14,000 professional basket makers producing household shopping and storage baskets as well as trays, hampers, delivery baskets on bicycles and hot air balloon baskets. Traditionally there were a few rural variations of basket types made from local grown wood. These involved using larger timber cut or cleaved into thin strips. This method required the wood to be boiled or steamed prior to use.

The Sussex trug became very popular after Queen Victoria purchased several when she visited the Great Exhibition in 1851. Willow, cleaved to preserve the natural wood grain, was cut into thin boards, shaved smooth with a draw knife and soaked in rainwater for half an hour to make them pliable. Two split sweet chestnut hoops, previously steamed and shaped round a block, with the ends nailed together, created the frame. One was used horizontally to form the rim, the other vertically for the base and handle. The boards were fixed lengthways with copper nails to these and the ends trimmed to shape with a knife.

Swills were made in the southern Lake District. Coppiced oak 6 inches in diameter was used which was sawn into the required lengths then split by hand so the naturel fibres of the wood were followed. The strips were then boiled in water for several hours so they became flexible before being split (riven) again while still hot thus reducing them to only a fraction of an inch thick. Hazel rods were bent into an oval shape to form the frame of the basket and the thin oak strips woven in and out. A space was left either end as a handhold. No nails were used.

The Devon Maund

Splints of pine were attached to a wooden base. Traditionally this was made from elm but following Dutch elm disease other wood had to be used. These were nailed vertically to three bands of ash to give it its shape. **Jill Mason**

WEST NORFOLK AVIATION SOCIETY

Two members both delivered talks this month contemporary with a bygone era: Marconi, Alcock and Brown by Nigel Tooth and David Allen.

Firstly Nigel gave an entertaining account of his interest in electronics which began as a schoolboy when he spotted the enormous Chain Home radar defence masts at Bromley Heath in Essex from the windows of the school bus.

After leaving school he recounted stories of attempts he'd made to get a job at the Royal Aircraft Establishment, the BBC and Marconi. He failed twice as a result of bad timing and flippancy at the interview. The Marconi radar research interview was more successful, probably, he said, as a result of nepotism.

He met a number of characters there who had their own stories to tell: older colleagues who had met Marconi and his clever engineer Charles Franklin; another who might have witnessed the bombing of Dublin Bay by the Germans as a result of the British 'beam bending' techniques and another who claimed the E1189 won the war and not the Lancaster, the Spitfire or Winston Churchill. The E1189 was a cavity magnetron which was an essential component used in airborne radar systems during the battle of Britain in WW2. To add flesh to some of these characters, several comparisons were made between Hollywood actors and music hall artistes.

At this juncture, Nigel took a more serious direction and explained how the magnetron operated using props he'd taken from a microwave oven. He then mentioned the radar system on which he had worked at Marconi's which was so large that power consumption was capable of draining a small power station. He concluded by saying that research in this particular field was largely made redundant by advances in technology relating to signal detection rather than generation.

After an interlude when refreshments were enjoyed and a raffle took place, David gave an account of his experiences visiting a heritage site, on the West Coast of Ireland, dedicated to the memory of Guglielmo Marconi, his achievements and his legacy of being the first person to transmit a radio signal across the Atlantic in 1901. He mentioned the coincidence of the location of another momentous occasion when in 1919 two military men, John Alcock and Arthur Brown became the first men to fly across the Atlantic in an aeroplane, landing close to the site of the first radio transmission.

With questions about the aforementioned topics David concluded the evening with a competition designed to pit his wits against those of the audience – nobody knows who won.

All welcome to the meets which can be found on www.westnorfolkaviationsociety.org.uk

THE MAGPIE CENTRE

May 16 saw a very successful Bingo evening at Tilney St Lawrence Village Hall, which raised more than £330 for the Magpie Centre, home of West Norfolk Riding for the Disabled Association.

This was followed, on June 2, by a Fun Run and Walk in the lovely grounds of Wallington Hall, organized by

Trinity Rotary, Kings Lynn. In perfect weather, hazy sunshine accompanied by a light breeze, runners pounded round the course, followed at a more leisurely pace by families out for a stroll.

As you read this, preparations will be in full swing for the Magpie Open Show, to be held at Wallington Hall on Sunday July 7. Offering classes in dressage, show jumping, in hand and ridden showing, plus a handy pony competition, this is a chance for all equestrians to strut their stuff. Classes include Equifest and Senior Showing and Dressage first round qualifiers and schedules can be downloaded from our website: www.rda-westnorfolk.org.uk. Just click on our Events Calendar.

Moving on to August, the Craft and Country Fair, scheduled for Sunday August 18, 10 am - 5 pm, at Wallington Hall PE33 0EP promises to be an exciting event, with the Indoor Arena packed with crafts of all kinds, plus, in the Main Arena, a display of carriage driving, returning for the third year by popular demand.

Have you seen a Shire horse being ridden? If not, now's your chance to see these gentle giants under saddle. Want to have a go at archery? It's here for you. Carriage and Pony Rides will be available and motor enthusiasts can marvel at the Classic Car, Bike, Commercial Vehicle and Tractor Show. A variety of trade stands and food and drink outlets will ensure that nobody goes hungry. Admission is excellent value at £18 for a family (two adults plus two children), adults/children £6 each and under-5s free. Sorry, no dogs except service/assistance dogs.

Setting up events such as the Horse Show and the Craft and Country Fair requires a huge amount of work, and following our appeal, we are delighted that UK Power Networks have agreed to send teams to assist with setting up both events. Your help is very much welcomed, and, as we say of all our volunteers: 'We couldn't do it without you.'

If you need more info or have any queries, please email me on c.dudley@success-in-english.co.uk or call 01553 828935.

SWAFFHAM & LITCHAM HOME HOSPICE

On the 11th May, we held our Annual Street Collection in Swaffham. At 8.30 that morning it was raining hard and continued to do so for the next couple of hours or so. We carried on with the collection with members of our team braving the conditions. The weather improved as the morning went on with a marked increase of the number of people seen around town. Despite the wet start, we raised a total of £612.74. Our grateful thanks to all the people of Swaffham and its surrounding villages who supported us. Thanks also to our team of collectors who this year included 4 members of Swaffham Lioness Club, a member of Swaffham & District Lions Club, several of our volunteers and a former volunteer and her husband.

Swaffham Rugby Club under 14's recently presented us with a cheque for £410 raised at their Awards evening when they celebrated their victory in the County Finals for their age group. Pictured are Barney Smith and Logan Claxton from Swaffham Rugby Club Under14's presenting the cheque to Sarah Leggett, our deputy co-ordinator.

We have also received a donation from the Yorkshire Building Society in the

sum of £1773 towards the cost of replacing carpeting within our office. A presentation took place on the 23rd May. Pictured with staff from the Society are Wendy Martin and Adrian Adcock. Our grateful thanks to the Yorkshire Building Society for their support.

We are in the throes of organising a Frugal Lunch in September and will again be organising our Christmas Draw selling tickets throughout the autumn – more news on these events in future editions.

If you would like to learn more about what we do or would like to volunteer, then please contact Wendy Martin, our co-ordinator, on 01760 722937 or call in at our offices at 17-19 Brocks Road in Swaffham – just up the road from Tesco.

LILY HAS CHANGED!

From 1 July 2018, our Lily service expanded to include everyone over 18, not just those in later years.

Lily provides a comprehensive range of support in West Norfolk to combat loneliness and social isolation in adults of all ages. The project is linked to the 'No Lonely Day' initiative and encourages our residents to develop friendships and engage in their local communities.

The Lily online directory lists organisations, services and activities that help people to live healthy, active and independent lives. It includes information relevant to adults of all ages. If you would like your event or organisation to be included in the directory, get in touch asklily.org.uk

Lily Advisors from local charities are available to offer one-to-one support to people at home or in community locations.

Lily has a strong focus on community development, by helping groups to arrange activities and encouraging volunteering and by providing community events, onsite information sessions and support for employers, schools and colleges.

If you, or anyone you know, would like to know how Lily can help, call 01553 616200 and choose option 6.

FREE HOME ASSESSMENTS ON OFFER

Older, disabled or vulnerable residents of West Norfolk are being encouraged to book an appointment for a free home assessment from Careline Community Services.

The assessments, which are carried out by a team of qualified staff, will help residents, who may be living with a disability or dementia, or who are simply older and less mobile, to identify concerns in their property which may be affecting their day-to-day life. The assessor, trained by the Disabled Living Foundation, will inspect the home to see whether measures could be introduced that would reduce the possibility of slips, trips and falls and generally make it easier for people to live safely and independently in their own homes. Measures that could be considered include installation of a Careline personal alarm, improved lighting arrangements, heating checks, draught proofing, smoke detectors and easy-to-use taps along with recommendations for other adaptations that may reduce any potential risk to the resident. Practical solutions for those living with dementia are also available, this includes signage or colour differentiation for those who suffer with memory loss and are visually impaired.

The assessors will also be able to advise whether any grant funding is available for any works required.

To book an appointment call the Careline Community Team on 01553 760671

COULD YOU HELP A YOUNG PERSON WITH A DISABILITY TO THINK ABOUT THEIR FUTURE?

The CSV Futures Project supports young people with learning disabilities to explore their options as they think about leaving education.

Volunteer Mentors provide one to one support to a young person to help them develop a personal profile of their skills and interests, their likes and dislikes and their future goals. The Mentor can then support the young person to start working towards these; this can include accessing work experience and training opportunities plus the chance to try out volunteering and new social activities.

CSV needs volunteers who can offer a couple of hours of their time each week to mentor the young people as they make choices about their futures, raising aspirations by exploring together the young person's skills, interests and abilities.

We are looking for people ages 16+ - Mentors can come from all walks of life and no experience is needed but patience, the ability to listen and a sense of humour are all useful skills. Mentors receive full training and support and out of pocket expenses are paid.

If you would like to find out more about becoming a Volunteer Mentor for the CSV Futures Project please contact:

Vicki Howling, the project co-ordinator for an informal chat.

HORSES ON THE ROAD

Whilst out riding recently I encountered a cyclist on an electric bike going very fast and was worried for myself and my horses safety. This is advice from British Cycling

Navigation:

Home » Insight Zone

If you're cycling on rural roads and lanes, you are likely to encounter horses. Follow this advice to ensure that both you and the horse riders can continue with a safe and enjoyable ride.

Communicate

The most important thing is to make the rider aware of your presence. If approaching from behind, horses have a very large blind spot and won't see you until you're practically level with their heads. It's vital therefore to let the riders know you're there with a clear "good morning" or similar. Don't shout overly loudly but don't be too tentative either. A horse is far less likely to be spooked by the sound of your voice than by being suddenly surprised by you appearing next to them. Wait until they've acknowledged your presence and follow any instructions they may give you for passing.

Slow Down

Whether approaching horses from behind or head on, slow right down and be prepared to stop. This applies whether you're out for a training ride or taking part in an event. Allow plenty of time and distance for the horse and rider to become aware of your presence.

Avoid Unexpected Noises

Don't shift gears or brake hard when approaching horses as these sort of mechanical noises can easily spook them.

Pass Wide

Most horses being ridden on the road are used to passing traffic so, as long as you give them plenty of room and pass to the right as you normally would, they'll be fine. Allow room in case they are surprised or startled, this is as much for your safety as it is for the horse and rider. If there isn't space to pass safely, wait until a suitable opportunity arises, just as you'd hope a car would do the same for you.

Be Visible

The more warning a horse rider has of you approaching, the better. Make sure you are visible and have suitable lights fitted to your bike, although avoid flashing front lights as these can scare horses.

HORSES ON THE ROAD

Be Observant

Keep an eye out for signs that there may be horses around. Fresh dung, bridleways that cross the road and nearby stables are all fairly clear indicators. Look out for horses being ridden two abreast as this can indicate a younger or nervous horse. Some riders will also wear tabards indicating a young or nervous horse or if they're an inexperienced rider.

Groups

Large groups of cyclists can be especially alarming for horses so, if you're out on a club run or taking part in an event with other riders, be especially aware of this. Follow all the advice above, communicate through the group that you're slowing down and split into groups of four or five riders to pass. The horse riders may be able to find a safe place, stop and let you pass as one group but you have to allow them the time to do this.

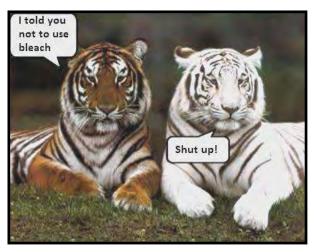

Be Polite

It can be frustrating to have to slow down but always be polite and pleasant. We are all sharing the roads so we need to work with each other and respect other road users. Don't take offence if a horse rider doesn't appear to acknowledge your consideration, they are probably concentrating on controlling their horse.

For further information take a look at <u>the code of conduct for horse riders and</u> <u>cyclists</u> from the British Horse Society.

Thanks to all cars who slow down and pass wide and slow.

Rachel Bond-Green (Beachamwell)
British Horse Society Accredited Coach

METHWOLD TRACTOR RUN

What a Success!

On Sunday 19th May, we set out early to cause chaos on Norfolk's rural roads. A convoy of over 50 tractors, both vintage and new, set off from St George's Hall Complex in the small village of Methwold. All in order to raise well needed funds for the local MacMillan Cancer Support Group. The route saw us travelling through Methwold Hythe, passing Wissey Sugar Beet Factory, following down into West Dereham before making our way for a well earned pit stop at Church Farm Rare Breeds Centre in Stow Bardolph.

A picturesque moment where each tractor lined up, each driver indulged in their well deserved ploughman's lunches whilst the children from the farm ventured out to look at the tractors in all their glory. We were also met by Chairlady of the local Downham Market Macmillan Support Team, Sue Sampson.

Sue congratulated everybody on their hard work and wonderful

fundraising efforts and picked the winner of the best dressed tractor.

Shortly after lunch, we once again hit the road, this time headed for Boughton and Eastmoor before following then winding roads through Foulden, Northwold and eventually back to Methwold in record timing.

On arrival at Methwold a crowd had gathered to welcome us back and again congratulate us on our antics. Freshly made cakes had been made and on sale for everybody to enjoy. Family and friends flocked in to offer their support to the fundraiser.

In true fundraising style, an auction was held in a bid to sell off the remaining 'stock' and engage the final push to boost our profits. Potentially the most expensive bread and cheese anybody has ever paid for, but all for a good cause.

We are still awaiting the last few sponsorships to come in, but to date we are sat at an amazing £3000... proving a brilliantly successful day and worth annoying the commuters of Norfolk's roads just a little.

On a final note, it truly couldn't have been possible without my Dad, Steven Bruce, the other wonderful and supporting committee members (you know who you are!), our avid volunteers and Marshall's - who without them the event

METHWOLD TRACTOR RUN

would never have happened, the superb support from each and every one of our sponsors for their generous donations, our exceptional photographers, the absolutely incredible drivers for setting out (some all the way from Beecles and Holt!) and a very patient Mum (or wife in Dads case)!

Many thanks to you all once again... roll on next year! If you want to see more photos of the event, or find out further details then please search for us on Facebook.www.Facebook.com/MethwoldTractorRun

Open Gardens: Once again we were extremely fortunate that the weather stayed fine; it was a bit breezy which was a good thing as it might have been too hot otherwise. The weather forecasters warned of possible showers in the afternoon and, maybe because of this, there were a lot of people who came early and the village was extremely busy. With 13 gardens open, including the Hall with its impressive display of blue flag irises, there was something to suit all tastes. David and I spent all day talking to visitors to our garden most of whom were not only interested in the plants we grew but also how we managed it. Two things we asked were where did they come from and how did they hear about it, the answers to which were varied. Some had travelled from as far afield as Lincolnshire, Lynn, Bury St Edmunds, Elm, Wells and Gorleston and had heard about it in many different ways. Certainly clear signage on all the roads leading into Barton played a part.

There were also many favourable comments about the friendly atmosphere, the number and variety of gardens on show and especially the catering. As usual ploughman's lunches proved extremely popular with 130 people partaking of them and a tempting selection of homemade cakes attracted a lot of customers in the afternoon.

Dianne emailed afterwards - "We came along to the open gardens event Sunday had a great day out, thanks go to the Ladies in the Village Hall the lunches and teas/cakes were great, so popular finding a table was very difficult but we did succeed eventually, coming back for afternoon tea and cake before we left for home. Please pass on our thanks to the team in the kitchen, they worked so hard and smiled through it all".

Our Open Gardens is truly a community effort and probably, more than anything else, puts Barton Bendish on the map. Some visitors had never even heard of us before, let alone visited!

Thanks are due to all those who made such a superb job of organising it and to everyone who worked so hard on the day, and beforehand, to make it such a success. We certainly appear to have impressed the visitors. Also of great importance is the fact that the day raised in the region of £3,600 for St Andrew's.

Brian Reynolds – In His Own Write: When I moved to Barton Bendish three years ago I didn't expect to meet anyone who I would have known when I lived in Norfolk in the 1960's. So, when we answered the phone and a mysterious voice told me that we'd last spoken in 1967, I was both amazed and intrigued.

At that time I was a spindly and awkward boy at Boarding School at King Edward Grammar School in King's Lynn. Brian was the Vice Captain of the House and, even then, a force for good. Our school was very hierarchical. Small boys were called by their surname and generally ignored, unless required to clean shoes or run to the newsagents to buy cigarettes.

It was not a particularly humane environment but, even then, Brian insisted on fairness, good behaviour and kindness. He abhorred bullying. I remember one occasion during a cross-country race, when I was lying face down in the mud, and being used as a stepping stone by other runners, that Brian stopped, picked me up and set me off running again.

All these years later, I discover that he has done just the same for countless people fortunate enough to work with and for him. I have met many people who have told me about the way Brian's demanding standards and caring personality set them on their way. Such people are rare.

Life is often unfair and finding that such a strong and significant man as Brian affected by Parkinson's Disease is clear evidence of that. Far from feeling sorry for himself, Brian has flung himself into fund raising to aid research into a condition which affects an increasing number of us. He decided to write a book about his life in farming, published it and is now selling it to raise funds. He also has a just Giving Site on Facebook.

Tellingly, Brian attributed much of his success in later days to his time at Grammar School. Not surprisingly, there were a number of Old Lennensians in

the audience. Will Stebbings talked about his own books which deal with that period and the with events. entirely fictional of course, of a Boys' Grammar School. Additionally, Russell Mackenzie. distinguished Nuffield Scholar, spoke compellingly about the importance of farming, changes in its practice and the dangers of climate change. He is another who owes much of his considerable success to Brian.

The undoubted star of the show was Brian himself, who talked with characteristic self-deprecating modesty about his life and achievements. His audience were well aware of his contribution to the community and to his values. He, amongst others, helped to save the Village Hall and transformed the fortunes and practices of the Estate.

Bang on time we retired to the Berney Arms for refreshment and fellowship. The day raised £530 and Brian has raised over £3,000 in total so far. The afternoon was a lovely experience. We are lucky to have people like Brian Reynolds among us. *Andrew Stephen*

Voices from the Vestry

A 'Special Service' for your animals and pets: Having a pet can certainly be a blessing especially when they provide unconditional love, company and companionship. There is something very heart-warming about being able to show one's love to that special animal in your life.

So, on Sunday 14th July at 3pm, there is a very special service at St Andrew's Church, Barton Bendish, giving everyone the opportunity to bring their pets to church to be blessed. There is a long tradition in the church of giving thanks for animals and blessing them and this service will uphold this tradition. Blessing our pets is not a gimmick, but recognises their value in our lives, for they are part of God's wonderful world in which we live. Blessing them is a reflection of the place they have in our hearts, of the regard and love we have for them, of the good they do us.

If your beloved pet is no longer with us, why not bring along a photograph and join in with the service to remember the love and joy they gave you.

So join us - we look forward to meeting you and your 'special friend'. All animals and owners welcome. In fact, everyone is welcome – with or without an animal! Refreshments for both available after the service.

Spring Cleaning St Mary's July 21st 9.30am

Come along and help us spruce up this beautiful historic church.

Musical Soirée July 28th 4pm

Come and enjoy an afternoon of music in historic St Mary's Church in the village and join us for afternoon tea. We will have a programme of songs through the ages sung by the Barton Bendish Choir, including the Hallelujah Chorus from Handel's Messiah. In addition, there will be instrumental music from Martyn and Phyllis Clarke.

If you have ever sung the Hallelujah Chorus, do bring your copy and join in with the choir for that part of the programme – a 'sing-along' Hallelujah Chorus on a lovely summer's afternoon!

Tickets are £3.00 (including refreshments) available from Linda (347563) and Mhari (347849). Please be aware that there is limited space in the church so book early to avoid disappointment.

Art /Photography/Craft Exhibition and Sale - September 14th and 15th

This will be the tenth annual exhibition and sale of art, photography and craft. Details have gone out to all previous exhibitors and are available by contacting bartonbendishevents@gmail.com or Liz Stephen (347549).

Village Hall Update

Slowly as these processes always move forward, we have had a great deal of encouragement in recent weeks. Some of the larger grant providers have been making very encouraging noises in our direction and we are very hopeful of significant progress soon. We have applied for a new grant to cover VAT costs. Fundraising efforts in the village have raised about £1,500 so far and voting at Tesco and Calor Gas is going well. As ever, we are grateful for all your support and encouragement.

Barton Bendish Annual Parish Council Meeting held on 8th May 2019

At the meeting, the Parish Council elected Cllr Will Chapman as Chairman and Cllr Valarie McAlister as Vice-Chairman. Four members of the public were in attendance.

The Parish Council elections on 2nd May were a contested election with eight candidates for the seven vacancies. The Parish Council was pleased to welcome Mr Peter Stow from Eastmoor Road and Mr Angus Wells from Boughton Long Road as the two new members.

Cllr Jack Richardson and Cllr Robin Simon had met with the Highways Engineer from Norfolk County Council to raise issues of concern within the parish, which included damage to the trod (informal footpath) on Boughton Long Road, and extension of the 30mph speed limit in the village to cover Boughton Long Road. The trod was to be repaired and wooden posts installed to prevent further damage. The extension of the speed limit was more complicated; it was possible that a 40mph speed limit, which was felt to be more appropriate for the road, could be implemented but funding for the project would be difficult to obtain.

It was recognised that dog fouling was an issue within the village. Signs provided by the Borough Council advising that it is an offence to not clear up after your dog would be installed.

The Parish Council agreed to object to a proposed housing development in Beachamwell as concerns were expressed about the increase in the level of sewerage coming to the treatment plant in Barton Bendish, if more dwellings were connected to the main sewerage system.

The Annual Accounts for 2018/19 had been finalised and a report was given from the Internal Auditor. The Annual Return was approved and would be available on the Parish Council website.

The next meeting will take place on Wednesday 10th July 2019. This will be an Ordinary Parish Council Meeting starting at 7.30 pm in the Village Hall.

Caroline Sanderson

When Caroline died on May 11th it came as a terrible blow to myself, Doug, George and the whole Family as well as leaving a big hole in the wider village community. Caroline was a larger than life character who embraced life with energy, enthusiasm and a well developed sense of mischief.

Born in 1967, she was the third child of Janet and John Robinson. She left school at 16 with few qualifications but was determined to succeed. She worked at a range of jobs in the evenings to fund her further education herself and went on

to Peterborough Tech. She then started work for the Peterborough Evening Telegraph and eventually on to the Stamford Mercury. She was spotted and head hunted by Bourne Publishing Group and by the time she was 27 was a company director running titles like Shooting Gazette, Shooting and Conservation magazine and, to her dismay and amusement: Your Cat and Your Dog magazine!!

We moved to Beachamwell in 2001 and she took up farm life and work with all her customary verve and enthusiasm. Her attitude was always to "give it a go" and her energy and love were infectious. She took over as Editor of G4N from Rev'd Robin Blackall and did this job from December 2000 – February 2003. She Joined the Village Hall committee and played a major part in securing the funding and subsequent building of the fantastic children's play area. The village fete was re-energised and she introduced the now legendary Lamb National that drew huge over enthusiastic crowds to the village green. She introduced the village barn dance to St Johns Farm which over the years became one of the high points of the village year. She was also one of the founding members of the Friends of St Mary's Church, dedicated to raising awareness and funds for the structure of St Mary's in the village.

Anyone who met Caroline came away knowing that whoever they were they were valued and appreciated. This empathy with others was one of Caroline's

great strengths. She joined the Samaritans and once or twice a week spent the night at the Kings Lynn Samaritan phone lines helping others when they felt all was lost. The arrival of Doug and George meant that she no longer had the time to keep her work up, but she was very proud of what she had achieved.

A natural stockwoman she loved her flock of sheep which flourished under her care. She was often to be seen riding all over the local area with her two trusty dogs loping alongside. Alapacas arrived as well and she seemed to be able to manage them with her natural care and affinity.

She was universally loved and admired. She had friends in all walks of life and from all over the county. Her passing is a terrible loss to us all and leaves a huge gap in our lives but we are all the richer in spirit for having known her.

There will be a service of thanksgiving for her life on Friday 12th July, 11.00 at St Peter & St Paul's Church Swaffham and afterwards we will raise a glass to her with a reception back at St Johns Farm. Everyone is most welcome to join us on that day.

Charity Stash Sale

'A stitch in time saves nine' is an old saying – 'a stitch in time changes lives' is a take on this old adage and it applies to the Charity Stash Sale organized by Beachamwell Quilting and Hand Stitching Group on 30 March.

By clearing out unwanted fabric and haberdashery to sell to other sewing enthusiasts, the group raised an amazing total of £1,270.00. This has been divided equally between two very worthwhile local charities: the Swaffham and Litcham Home Hospice and the Merle Boddy Centre.

But the benefits of the sale did not end there. A donation of approximately 2,500 skeins of tapestry wool has been sent to Fine Cell, a charity which teaches male prisoners to sew and all left-overs from the sale went to the Big C Craft Emporium in Wymondham via their Swaffham branch.

We are grateful to Bill Muir for inspiring us to hold this event and for everybody who donated, bought, sold and served. It was a wonderful effort. **Leah Spence**

Beachamwell WI is 40!

A birthday party was held in Beachamwell Village Hall on Thursday 6 June to celebrate Beachamwell WI's 40th birthday. Former members joined current members for an evening of fine food and warm friendship. A selection of scrapbooks brought back happy memories spanning the years from 1979 to today.

And now for something completely different - our meeting on Thursday July is very topical 'The life and times of a transsexual poet and lesbian, rolled into one' with Poppy Rose. Why not join us for the evening and discover that the WI is not all Jam & Jerusalem? Visitors £3.50. *Leah Spencer (President)*

Parish Council

At a meeting of Breckland Planning Committee on the 24th June, it was decided to REFUSE permission to build 19 Houses on the Field South side of the Street, Beachamwell.

Many thanks to the Parish Council, Cllr. Richard James for speaking at the Meeting and to all the villagers who wrote letters and signed the petition objecting to this development.

Your support has been much appreciated. Ivan and Mary Riches

Afternoon Teas and a Chat

In Spring 2009 Ely Diocese requested that each parish considered starting a project that was not aimed at raising funds but would benefit their local community. St Mary's PCC thought that a "Drop in for Tea and Cake" afternoon once a month would provide somewhere for people to meet up and chat over a pot of tea and some home-made cake. Gill Sanderson and myself started organising what quickly began 'Afternoon Tea and Chat'. The Halls Committee generously said that they would support this community project by letting us have the Hall free of charge for as long as they could and we very grateful for their ongoing generosity.

We started with gifts of tea pots, food covers and offers of homemade cakes. A monthly donation box soon bought extra teapots, jugs, cutlery, food covers and gradually we found we only needed to put out the donation box every few months to cover the cost of tea, milk, coffee etc. There have always been some

wonderful and generous bakers in Beachamwell and there is always a good supply of cakes.

It is a real community event with so many people joining in and helping that it is a great pleasure to be involved. I would like to thank everyone who has helped and supported us over the last ten years - we could not have been done without your involvement. I could mention so very many names but the list would fill the page. There is one person, however, who has come an hour early every month for the whole ten years to put out the tables and chairs and to lay the tables – thank you Peggy (English). **Sonia Williams**

On behalf of everyone from the village and beyond thank you. It has become a very enjoyable tradition and long may it continue. Verena Hartley presented a lovely bouquet of roses to Sonia in recognition of all her hard work.

BOUGHTON VILLAGE NEWS

Open Gardens Day June 9th 2016

It's probably impossible to thank everyone who was at all involved, as I'm sure there were many behind the scenes in the various 'teams' whose names I never knew. We were so fortunate to have a fine and dry day - as I write this, the rain is pouring down again, but I DON'T CARE!!

The catering team were brilliant. Everything was beautifully arranged and the

lunches were excellent. I also had a very tasty piece of cake in the marquee at the end of the day and another visit to the alpacas as they are so lovely. I think everyone fell for the black one and he knew it!! They've been sheared, and the fur looks

ribbed, like the raked gravel in a Japanese garden.

There were ten gardens open in the end, with one willing participant forced to drop out because of illness. We send our very best wishes for a full recovery. The gardens range widely in size and style, reflecting the different people who make up our community. Everyone had worked really hard to get them into some sort of shape - my brown bin was literally crammed with goosegrass/ cleavers, the bane of my life - and there were still plenty of flowers to come.

BOUGHTON VILLAGE NEWS

Spring is best in my garden, but I seem to have been accumulating roses, so there is colour to come.

For the first time, this year we had a display of classic cars and bikes. Many

BF-6339

thanks to the owners for putting their precious toys on show and allowing others More than a hundred people to share. came to the village and enjoyed the atmosphere and the fruits of all the hard work and publicity. I can't thank everyone enough, as this is the main fundraiser for the church. Although the building serves as the village centre, the Diocese of Ely requires a large amount of money to keep it going and to provide a priest. The PCC and the small congregation couldn't manage this without all the help from the village on days like this. We've just had our guinguennial inspection, which has thrown up more requirements, so OGD is very important to us. We raised nearly £1,500 and are very grateful to everyone who took part in any way. Pam Wakeling Congratulations to all who took part in Boughton Open Gardens on Sunday. Over 100 visitors spent a pleasant afternoon in Boughton and well over £1.400 was raised. Events like this depend on so many people, each of whom our thanks deserve organising publicity, making and erecting signs, putting up gazeobos and marquees, setting out chairs, donating ingredients and cakes, preparing and selling lunches and teas (and doing the

washing up), selling plants, displaying classic and veteran cars, motor cycles and bicycles, and of course, opening their private gardens for us all to enjoy https://boughtonparishcouncil.norfolkparishes.gov.uk/bough.../

Neil Matthew (Chairman of Boughton Parish Council)

BOUGHTON VILLAGE NEWS

Thank you to Boughton

As most people are aware, my dear Mark passed away on 4th May, after a very

long illness which he dealt with in an amazing way, carrying on with pretty much everything, despite a massive life changing operation, and three years of continuous chemotherapy. Indeed, many people were completely unaware that he was ill.

Sadly, the disease caught up with him this year, and the weeks prior to his death were pretty grim. The celebration of Mark's life was on 22nd May, and was an incredibly mind blowing day for me, with

massive numbers of people in attendance. Many people assisted with this event in various ways, and I have to say that I have no idea who some of them were, as I was completely overwhelmed by it all.

Various people made their drives available for parking; the marquee was erected and dismantled by a willing team of volunteers; floral tributes were arranged in the church by kind neighbours; drink and other refreshments were contributed, and the churchyard was made to look its best in readiness for the day.

Chairs were set out for the service, and furniture was moved afterwards for the wake. Tea was made, drinks were poured and served, the buffet was tidied up, rubbish cleared away and washing up done. Other things were done in the background, that would be less obvious, and I did know what they were.

Beforehand, when I was worrying about everything getting done, I was constantly reassured by different people who said – 'Don't worry – it will just get done' And it did.

My family, most of whom had travelled some distance, were very impressed by this demonstration of community spirit. It is not something that they encounter much in the towns that they live in.

When Mark first knew he was terminally ill over three years ago he said "Don't go b******ing off to some pub. I didn't spend nine years of my life getting our church turned into a community hall, so use it." How right he was. We were also exceptionally lucky with the weather, and everyone who knew him well said that he would have loved it!

I would like to thank everyone who contributed in some way to all of this. I will not name names as there are too many to mention, and as I have already said, I don't know who all of them were.

With many thanks again Sue Pogmore

Parish Council

A regular meeting of Boughton Parish Council was held on 18th June. I am pleased to report that following the untimely passing of her husband, Sue Pogmore has agreed to be co-opted onto the Parish Council and will serve as one of the parish councillors on the Boughton Fen committee.

With the council once again at full strength the meeting discussed and assigned key responsibilities to councillors, agreed remedial actions to playground equipment and signed-off the annual audit report and financial return. Detailed minutes may be found on the council website.

The next council organised event will be a littler pick and all residents are invited to take part. We will be focussing on Boughton Litter Pick

Gibbet Lane, Mill Hill Road, Oxborough Road and

Sunday 21st July at 2pm Meet at The Green

■ much appreciated. We will arrange for litter

The Fen where there is significant rubbish left by

passers-by. If you can join in, your help would be

pickers and litter bags which will be collected by the Borough Council.

Wereham Craft Group.

Well the craft fair has been and gone, we had some lovely new stall holders this time. There was Walnut Barn Crafts, with her lovely paper crafting; she had

some beautiful paper flowers that could easily be mistaken for real flowers. We had a lady with beautiful wedding accessories, fascinators etc and a lady who made lovely glossy cards with her photographs that she takes from all around the country. Our next craft fair is our Pre-Christmas Craft Fair to be held on 2^{nd} November 2019, we already have half the tables booked so if any crafters out there would like to book a table please contact me as soon as possible.

We always welcome new and different crafters. Our craft group meeting is always on the second Tuesday of every month 10.30am until about 12.30pm. In the village hall.

Please contact Rosemary on 01366 501330 or 07749240606, email rosemary.pease@btinternet.com

Short Mat Bowls

Thursday evening is the time when you will find us playing bowls in the village Hall, 7pm until 9pm. The cost is £2 per player with your first evening free. We are a small friendly group who have lots of fun, no experience needed as we will show you how to play. Tea, coffee and biscuits are served during the evening. For details please contact Philip on 01366 501330 or 07759033492 email rosemary.pease@btinternet.com

Car Boot and Cafe

Car boot and cafe is on the last Sunday of every month, we have a happy friendly atmosphere and everyone is welcome. The cafe serves bacon rolls, egg in a roll, sausage in a roll also we now serve toasted tea cakes with butter or 2 slices of toast with butter and jam. There is a children's playground outside. We run a 50/50 raffle which is very popular and there is also a table of donated goods which raise funds for the village hall. Good clean items always accepted for the donated goods table. We look forward to seeing you all on a Sunday. For details please contact Philip on 01366 501330 or 07759 033492 email rosemary.pease@btinternet.com

New Community Café Launches at Wereham Village Hall

We will be launching our new Community Cafe at Wereham Village Hall this Summer and are looking for volunteers to help run the cafe each day.

The cafe will be open from 10am to 3pm daily serving hot and cold drinks, cakes, biscuits and pastries, rolls and other light snacks.

The cafe will be a great place to meet with friends and family and have a relaxing chat. You will also be able to find out more about the exciting range of activities and events taking place at the Hall and perhaps join up for one of the

many classes on offer.

WE NEED YOUR HELP - Could you help us by serving behind the counter for a few hours on the day(s) of your choice. If you can or would just like to find out more about what is involved, please contact Keith Murray on 01366 500976 or email stagestruck 37@hotmail.com

Wereham Church Festival

This year's Wereham Church Festival takes place in the grounds of our lovely medieval grade II listed church in the centre of the village on Sunday 21 July from 11am to 2.30pm. The Festival is the major fundraiser of the year. It is a real community event and is a great day out for the whole family.

There will be a wide variety of stalls and entertainments, including Hoopla, Coconut Shy, Tombola, Cakes, Jams and Preserves and Local Produce Stalls, as well as a Barbecue and a Raffle. Test your skills and win prizes. Bring the children along to play games and enjoy all the different activities taking place on the day.

If you've ever wondered what that old ceramic pot

that has been hidden away in the loft for many years or that piece of family silver on the sideboard may be worth then local auctioneer, Barry Hawkins, will be on hand to value it for you.

Come inside the church to the wonderful see display called "From Sheep to Shawl" showing the whole process from the original fleece to the finished wool product, with a range of locally produced and homemade shawls, baby blankets and other items. There will also be a fascinating demonstration of wool spinning and other local crafts. Later in the day our Messy Church Children's Choir will be singing a range of songs inside the Church.

We would really appreciate any donations for our stalls, prizes for the Raffle, Tombola and Hoopla, perhaps a bottle of wine for contest prizes, as well as cakes, preserves, home made jams and pickles. Items will be gratefully collected if you call any of the following contacts:

Doreen 500218 - Charles and Ivy 501108 - and Tom 500052

Do come and join us on Sunday 21 July. With everyone's support we can ensure that our lovely church remains open, vibrant and available to all.

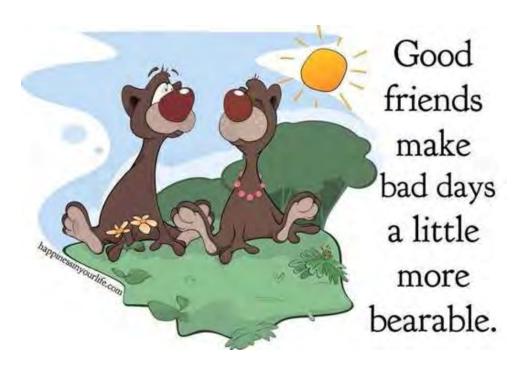

'Fleece to Shawl'

There will be demonstrations in the church of wool spinning and other craft at our Festival on 21st July.

To enhance and compliment these activities it would be lovely to present some shawls and home worked items. Did you make a shawl 30 or more years ago for a son or daughter? Is it in a box somewhere? Have you a well loved scarf?

If you could unearth some of your treasured family items, we should be pleased to display them in church. Also, give us some idea of how old items are and their history please. Show off your skills and enjoy the efforts of others.

Easy access, ample on-site parking, dedicated sterile operating theatre, dedicated dental suite, separate dog and cat wards, isolation ward, all staff and facilities on one site, x-ray suite, inhouse laboratory, ultrasound facilities, Pet Passport, export services and 24 hour nursing cover.

Many practices now use other veterinary surgeries for their out of hours work. This means that you will have to travel to an unfamiliar practice which is likely to be much further away. Despite being only a two vet. practice we continue to do all of our own on call cover. The phones are diverted directly to the vet on call as we know that clients appreciate a familiar voice at the end of the phone, 24 hours a day, who knows their pets and, if treatment is necessary, then they prefer to travel to their own practice to be seen. This is part of our Professional and Personal service that our existing clients are accustomed to and we warmly welcome new clients who wish to register with us.

Our surgery times are listed below. Please note that appointments are now necessary for all evening surgeries.

Open surgeries: Monday to Friday , 9-10am, Saturday 10-11.30am

All other consultations will be by appointment only so please ring in advance info@crossingsvets.co.uk
