# PRIESTLY RAMBLINGS A TIME FOR EVERYTHING

Dear Friends

Having recovered from my bout of shingles I was determined to get back to normal as quickly as possible. Well, that didn't work out very well.

We had a family funeral to attend; in fact I was taking the service and was therefore full of emotions and a little anxious. The family met at ours and Donna our youngest daughter said, 'Mum this will cheer you up' and showed me a photo of a tiny little new born baby with tubes all around. It was our eagerly awaited great granddaughter number two; she had been born early that morning a week ahead of schedule. The tubes sent more waves of panic and emotion searing through my body - she had an infection. The funeral went smoothly - I only lost it once - and we spent the rest of the day alternately talking about our lost loved relative and the predicament of our new loved new addition. Of course we were all desperate to see her, especially my daughter and her husband with hubby and me a close second.

It was not to be as soon as we all had hoped for daughter, Sherrie, telephoned us all the following day to announce that her daughter Bethany, who had to have a covid test every day, for her work with vulnerable children and teenagers, had tested positive that morning and we all had to isolate for 10 days. What! I had just spent a good week and a bit stuck indoors with shingles and now I was to be shut up again? What about seeing our new baby Emilia? What about our poor daughter desperate to see not only her daughter but also her new granddaughter?

Life can really kick us in the teeth sometimes can't it? Thank goodness for the help and kindness of friends who collected shopping for us and even left flowers on the step for me; but most of all we were so grateful for the prayers that were whizzing around for baby Emilia who was still in hospital with her Mum a week after appearing in the world - although Victoria our granddaughter wouldn't have put it quite like that - she'd had a really rough labour bless her. Tests had been done and then came the news that a lumbar puncture was needed to establish if Emilia had sepsis or meningitis. More worry, more sleepless nights and then the good news she was better and going home. There is nothing like the power of prayer and I thank every single one of you who offered one up.

Well, we are off to see the new baby and to be re-united with great granddaughter number one tomorrow and so life goes on, one generation being replaced by another; as it was, as is and shall be for ever.

***Rev Carol Nicholas - Letch***

## **New 50mph speed limits set to drive up safety on A149 in West Norfolk**

A new 50mph speed limit is set to come into force on two stretches of the A149 in West Norfolk this autumn.

Following a consultation last year the speed limit will be cut from 60mph to 50mph on the main road between Babingley and the Dersingham roundabout, and between Snettisham and Heacham.

These two sections of the busy road have a poor injury accident record. The southern section between Babingley and the roundabout with the B1440 has had 8 personal injury accidents over the past 5 years, one was classed as serious. The northern section between Paper Hall Farm and Heacham has seen 10 personal injury accidents over the past 5 years with 2 serious and 1 fatality.

Cllr Martin Wilby, Cabinet Member for Highways, Infrastructure and Transport, said: "Sadly this part of the A149 has seen a number of serious accidents due to excessive speeds so I welcome this change to help make the route safer for the more than 14,000 vehicles that use it every day. We hope this safety improvement will help to complement other recent changes along the road between King's Lynn and Hunstanton that has seen average speed cameras installed and changes to road signs and markings."

The new 50mph signage is expected to be installed this autumn which is when the new limit will come into effect.

### **NB**

The new 50mph limits are not along the section of the route already monitored by average speed cameras so the limit through those sections will remain at 60mph.

A formal statutory consultation was started in February 2020. Responses were received both for and against reducing the limit from 60mph to 50mph with 11 responses in favour and 42 objections along with a petition with 102 signatures objecting. Since then officers have carefully reviewed and collated the responses received. The pandemic has meant that the consultation has run over a longer than usual period to ensure statutory bodies such as parish councils have been able to meet and discuss the proposals.

## YOUTH LEADER (PART-TIME)

**Methwold Youth Centre ('The Hive)**, The Community Centre, Icení Academy, Stoke Rd, Methwold, Thetford IP26 4PE

Approx 20 hours per week. £9.50 to £12 per hour. 14 days paid holiday (to be taken during school holidays). Contributory pension available.

The Methwold Youth Centre ('The Hive') offers out of school games, sports and social activities and events, mainly during term time from Community Centre at Icení School. The sessions are open to young people aged 9 to 18 from the local towns and villages.

The centre has operated successfully for the last 3 years and we are now looking for a leader to continue to deliver the regular sessions. The Youth Worker is supported by a group of experienced and enthusiastic volunteers and a supportive Trustee Board.

### **Role description**

There is significant scope for the Youth Worker to develop the role but essentials include:

- Day to day management of Centre including planning and delivery of all sessions and activities, the majority of which are during term time.
- The safeguarding and welfare of all users and visitors to Centre.
- Promoting and publicising The Hive Youth Centre.
- Management of the policies and resources of the Centre in conjunction with the Trustees.
- Management of the team of volunteers, including DBS checking and training.
- Act as the liaison point between the Youth Centre, the school and parents/carers.
- Liaise with outside youth provider organisations.

**Skills and experience required** - The person appointed must

- have excellent inter-personal skills
- have experience of working with young people
- have good organisational and management skills
- be able to reach out and enthuse young people
- be able to network and build strong relationships
- have good computer and social media skills

The Youth Worker must have access to transport. There is free parking on site. Training will be offered as required. A DBS check and 2 references are required. There is a probationary period of 3 months and the role will be reviewed after 3 years. Please contact the Trustees for an application form on 07787 503545 or [thehiveyouthcentre@gmail.com](mailto:thehiveyouthcentre@gmail.com).

## RECIPE PAGE

### Iced Rose-petal Cake

*This sumptuous cake, complete with crystallized roses, is a sweet-scented version of a Victoria sandwich.*

- 1 Preheat the oven to 180°C/350°F/Gas 4. Grease and line the bases of two 20cm/8in round sandwich tins (layer cake pans). Sift 225g/8oz/2 cups self-raising (self-rising) flour and 5ml/1 tsp baking powder into a bowl, add 225g/8oz/1 cup butter or margarine, softened, 225g/8oz/generous 1 cup caster (superfine) sugar and 4 medium (US large) eggs, and beat until light and creamy.
- 2 Divide between the two tins (pans) and level the surfaces. Bake for about 25 minutes until just firm to the touch. Transfer to a wire rack to cool.
- 3 To make the rose-petal butter filling, separate the rose petals from the flower heads. Remove the white heel at the base of the petals and chop finely. Then beat 115g/4oz/½ cup softened butter with a wooden spoon or an electric mixer until it becomes very creamy and even in colour. Add 115g/4oz/1 cup icing (confectioners') sugar, a little at a time, and 60ml/4 tbsp sweetly scented rose petals. Sandwich the filling between the two cakes and place on a serving plate.
- 4 Beat 225g/8oz/2 cups icing sugar with 30ml/2 tbsp of rose water to a consistency that thickly coats the back of a spoon. Add more rose water, drop by drop, if necessary.
- 5 Spoon the icing over the cake, allowing it to run down the sides in places. Decorate with a circle of crystallized roses and petals, made by painting them with egg white, sprinkling while damp with caster sugar and allowing them to dry completely.

Makes a 20cm/8in cake

## COUNTRYSIDE NOTES

The UK government is committed to net zero carbon emissions by 2050 and various grants and subsidies are now available with the aim of achieving this. But are we being conned? It seems an impossible goal to achieve without a lot of 'passing the buck'. We import about half of our food and the country of origin picks up the carbon footprint tab for growing it. In theory, if we imported all our food UK agriculture would then have negligible carbon emissions, only those created by transporting it to the consumer. According to experts being vegetarian or vegan would help combat global warming but a fair proportion of their diet consists or derives from produce imported from all over the world. This and the processing leaves a sizeable carbon footprint and crops are not always grown in an eco-friendly way.

It is alarming to look at labels on fresh food and vegetables in supermarkets. In July I discovered baby plum tomatoes from the Netherlands, salad tomatoes (Poland), cherry tomatoes (Morocco), Peppers (Spain), Rocket (Italy), Spring/salad onions (Senegal), Green beans (Kenya) and Avocados (Peru). But do we really need to buy sprouts from South Africa in the middle of summer? They are seasonal home grown food which is plentiful from autumn thru until spring.

Here in Britain summer is the season for growing salad crops. The largest glasshouse complex is Thanet Earth in Kent, ([www.thanetearth.com](http://www.thanetearth.com)) which opened in 2008 and covers a remarkable 220acres (90ha). It now produces approximately 400million tomatoes, 30 million cucumbers and 24 million peppers annually. Another complex like that would slash the need for imports. Is the problem though, that there wouldn't be sufficient labour to pick the produce? Covid restrictions on migrant labour last year proved beyond doubt that few British showed any inclination of earning their livings in this way. Greenhouses are expensive to erect but polytunnels are cheaper and can be dismantled and moved. Green power for heating, lighting and air circulation can be harnessed from different natural sources.

Thousands of acres have been taken out of food production for conservation purposes. Would it be more environmentally friendly to utilize part of it for growing crops at home and reduce food miles?

Gardeners are vilified for using peat. Compost made from coir is promoted as being a good replacement. Coir has to be imported all the way from Sri Lanka and India! It is a natural fibre extracted and processed from the outer husk of coconut. Charcoal sold in Tesco is packaged as '*Forest Friendly charcoal - saving trees*' leading us to believe that by buying it we are helping to save the planet but that is also imported from Sri Lanka and the bigger bags come from South Africa!!! Better to look for Big K (Waitrose) if you're having a BBQ; it's manufactured less than 6 miles from here!

If we're really concerned about global warming most of all we should be looking for the 'country of origin' on the labels and buy British where possible.

## THE MAGPIE CENTRE

### Onward and Upward

With the gradual lifting of lockdown restrictions, things have been getting back to normal for participants, staff and ponies at the Magpie Centre, home of West Norfolk Riding for the Disabled Association.

After many months of lockdown, riders were able to return early in May and the smiling faces said it all. Carriage driving resumed on May 2 and Aynsley Calvert, aged 36, who has autism and has been riding and carriage driving at the Magpie Centre for more than 20 years, said: "It was brilliant, I rode Ava out on a hack and then I took Tonto out for a drive. I can't tell you how happy I am." The second pilot session of Equine Assisted Learning Therapy in association with MIND, which is designed to help people with mental illness issues, took place in May and the final session of this course is scheduled for June.

As restrictions regarding care homes are lifted, Magpie Centre volunteers will be visiting care homes to encourage residents to participate in "Tea With a Pony" Mornings, in which care home residents, plus their carers, can enjoy tea, cakes and a chat, plus meet and greet some of our lovely ponies.

Also, participants will soon be able to visit the newly-constructed Sensory Garden, which is wheelchair friendly and provides scents, sounds and textures for participants to enjoy.

### New Tables for the Magpie Centre

The Sensory Garden will be of particular benefit to 'Tea With a Pony' participants, many of whom are living with dementia or sensory impairment.

These mornings, which will re-commence in September, enable people, many of whom live in care homes and their carers to enjoy a social get-together, with tea and cakes and meet some of our lovely ponies.

Thanks to the work of loyal volunteers, the planting is almost complete and the flowers and shrubs have taken well, helped greatly by the recent unsettled weather. However to complete the Sensory Garden project, we need two hardwood tables, around which wheelchair users and their carers can be accommodated. These cost £600 each, so donations with these in mind would be much appreciated.

Natalie Dade (Magpie Centre Yard Manager) said "Some of our yard equipment is coming to the end of its useful life, so we need to replace it. Items needed are grooming kits, manure scoops, brooms, shaving forks and clipper blades. Many of our ponies are cobs, with heavy coats so they need clipping regularly to keep them cool and comfortable in work. At up to £45 a pair for clipper blades, their maintenance does not come cheap".

Donations, however large or small, will be gratefully received. For those who still have cheque books, cheques payable to WNRDA and sent to Magpie Centre, Wallington Hall, South Runcton, PE33 0EP are welcome. Or, please call the Centre on 01553 810202 for (bank transfer) BACS details. Donations can be also be made via our website: [www.rda-westnorfolk.org.uk](http://www.rda-westnorfolk.org.uk) Finally, thank you so much to all those who have offered their services as volunteers. The response has been amazing. Magpie Centre phone has been ringing off the hook and our office manager is responding to calls as fast as she can. If you do not receive a response in the next few days, please bear with us and you will receive a response shortly. We really do appreciate your interest.

## **HER ROYAL HIGHNESS THE PRINCESS ROYAL VISIT**

Monday July 12 saw an action-packed afternoon when HRH the Princess Royal, RDA President, arrived to tour the Centre and open the Sensory Garden.

On arrival, Her Royal Highness was greeted by Mr James Bagge, Deputy Lieutenant of Norfolk, Mr John and Mrs Tian Plaxton, owners of Wallington Hall, Mr Peter Tobitt, RDA Norfolk County Chairman and Mr Colin Perriss, West Norfolk RDA Chairman.

After touring the stables, meeting and chatting to groups of staff, riders, volunteers, and some horses, HRH watched a riding lesson in the indoor school. Highlight of the visit was a trip to the Sensory Garden, created to support the Magpie Centre's Tea With a pony initiative. This enables care home residents, people living with dementia and other sensory impairment to socialize over tea and cakes and meet some of the ponies.

While in the Sensory Garden, Her Royal Highness met World War II veteran Mr John Moran, from King's Lynn Residential Home and his carer Ms Julie Godfrey, before unveiling a plaque commemorating the official opening.

To celebrate carriage driving, which the Magpie Centre offers in addition to riding, RDA carriage driver Mr Aynsley Calvert, accompanied by Carriage Driving Instructor Ms Jody Voigt gave a display in an adjoin paddock weaving expertly through a course of cones.

Finally a group of students from West Walton School presented HRH with a posy.

Said Mr Perriss: "We were delighted to welcome HRH the Princess Royal to the Magpie Centre to formally open the Sensory Garden which is an integral part of our Tea With a Pony experience. It was a great opportunity for her to meet our dedicated staff, riders, volunteers and supporters, including those who created the Sensory Garden."

"We are extremely grateful to HRH for taking the time to visit us, to learn more about what we do and how the support of so many people and businesses from the local community helped us through the difficult periods of lockdown.

### **Lily Has Changed!**

From 1 July 2018, our Lily service expanded to include everyone over 18, not just those in later years.

Lily provides a comprehensive range of support in West Norfolk to combat loneliness and social isolation in adults of all ages. The project is linked to the 'No Lonely Day' initiative and encourages our residents to develop friendships and engage in their local communities.

The Lily online directory lists organisations, services and activities that help people to live healthy, active and independent lives. It includes information relevant to adults of all ages. If you would like your event or organisation to be included in the directory, get in touch [asklily.org.uk](http://asklily.org.uk)

Lily Advisors from local charities are available to offer one-to-one support to people at home or in community locations.

Lily has a strong focus on community development, by helping groups to arrange activities and encouraging volunteering, and by providing community events, onsite information sessions, and support for employers, schools, and colleges.

If you, or anyone you know, would like to know how Lily can help, call 01553 616200 and choose option 6.

### **Free Home Assessments on Offer**

Older, disabled or vulnerable residents of West Norfolk are being encouraged to book an appointment for a free home assessment from Careline Community Services.

The assessments, which are carried out by a team of qualified staff, will help residents, who may be living with a disability or dementia, or who are simply older and less mobile, to identify concerns in their property which may be affecting their day-to-day life.

The assessor, trained by the Disabled Living Foundation, will inspect the home to see whether measures could be introduced that would reduce the possibility of slips, trips and falls and generally make it easier for people to live safely and independently in their own homes.

Measures that could be considered include installation of a Careline personal alarm, improved lighting arrangements, heating checks, draught proofing, smoke detectors and easy-to-use taps along with recommendations for other adaptations that may reduce any potential risk to the resident. Practical solutions for those living with dementia are also available, this includes signage or colour differentiation for those who suffer with memory loss and are visually impaired.

The assessors will also be able to advise whether any grant funding is available for any works required.

To book an appointment call the Careline Community Team on 01553 760671

# COULD YOU HELP A YOUNG PERSON WITH A DISABILITY TO THINK ABOUT THEIR FUTURE?

The CSV Futures Project supports young people with learning disabilities to explore their options as they think about leaving education.

Volunteer Mentors provide one to one support to a young person to help them develop a personal profile of their skills and interests, their likes and dislikes and their future goals. The Mentor can then support the young person to start working towards these; this can include accessing work experience and training opportunities plus the chance to try out volunteering and new social activities.

CSV needs volunteers who can offer a couple of hours of their time each week to mentor the young people as they make choices about their futures, raising aspirations by exploring together the young person's skills, interests and abilities.

We are looking for people ages 16+ - Mentors can come from all walks of life and no experience is needed but patience, the ability to listen and a sense of humour are all useful skills. Mentors receive full training and support and out of pocket expenses are paid.

If you would like to find out more about becoming a Volunteer Mentor for the CSV Futures Project please contact:

## Footpath to Chapel Lane

David and Paul have very kindly taken it on themselves to keep the footpath between the village and Chapel Lane mowed out for the benefit of everyone who uses it. Is it too much to ask that dog walkers clear up any mess their dog deposits on the footpath – immediately? It makes it an extremely unpleasant task for them when people don't do this. They shouldn't have to put up with this especially when they are doing it out of consideration for everyone in the village who uses the footpath.

**Dog owners – if you want the path to be kept mowed please clear up your dog's mess.**

## 9/11 MEMORIAL SERVICE – ST ANDREW’S CHURCH

Do you remember where you were on Tuesday 11<sup>th</sup> September 2001?

What are your memories of that day?

I woke at 5am and travelled into central London, where I was Divisional Commander, Belgravia Police Station, Buckingham Palace Road SW1. After our usual 8am Senior Management Team briefing, the day proceeded pretty much as most days policing in central London.

As I returned from my lunch-time run along the Embankment, one of my team ran into my office and told me to switch-on my television. I clearly remember the feeling of shock as the BBC news coverage unfolded and the collapse of the towers magnified that catastrophic bulletin.

It soon became apparent that at 8:46 am (local time) five hijackers crashed American Airlines Flight 11 into the northern facade of the World Trade Centre North Tower. At 9:03 am another five hijackers crashed United Airlines Flight 175 into the southern facade of the South Tower. Five hijackers flew American Airlines Flight 77 into the Pentagon at 9:37am and a fourth flight, United Airlines Flight 93, crashed near Shanksville, Pennsylvania, southeast of Pittsburgh, at 10:03am after the passengers fought the four hijackers.

The following day, I woke and travelled to work as usual. As I travelled across London to my police station, I remember looking up at the London sky to realise there were no planes flying, there were no aircraft banking over London preparing to land at Heathrow as usual - all commercial aircraft were grounded. At that very moment I realised the world had irrevocably changed, but what I hadn't realised was what the impact of that change would mean on a global scale.

This year is the twentieth anniversary of 9/11 and we are holding a memorial service at St. Andrew's church, Barton Bendish at 11am Saturday 11<sup>th</sup> September – do come along and join us. **Reverend Ray Burman**

**Re 9/11:** There are several of us in Barton who will remember where we were on September 11th 2001. The so called 'Sewing Group' was meeting at Dawn's and David came over to tell us the dreadful news. **Jill Mason**

## **Update from Barton Bendish Parish Council**

Barton Bendish Parish Council held an Ordinary Parish Council meeting in Barton Bendish Village Hall on 14<sup>th</sup> July.

Cllr Will Chapman chaired the meeting, four other Councillors were present along with our Borough Councillor Colin Sampson.

The Parish Council remains concerned about the broadband service received by many residents who live in more rural parts of the parish. We feel that part of the problem is that the cabinet is not large enough and many residents do not know when they would be able to get superfast broadband. If your download speed is less than 10mbps, and you do not know when this will improve, please get in touch with the Clerk so that we can establish the extent of the problem.

The Parish Council has received a Community Infrastructure Levy payment from the Borough Council of £2356.65. There are limitations on how this money can be used as it must be on a project which is for the benefit of the community. If you can think of something that you feel we should consider, please get in touch with the Clerk.

We understand that the food waste (grey bin) collection has been reinstated by the Borough Council following the easing of COVID-19 restrictions on 19th July.

The date of the next meeting will be on Wednesday 8<sup>th</sup> September 2021 from 7.30pm in Barton Bendish Village Hall. All meetings are open to the public to attend.

## Parish Council

Cllr James updated the Parish Council on the speed reduction items he had obtained from Cllr Eagle at Norfolk County Council. A metal sign for the side of the road which reads 'Slow down' has been positioned in different parts of the Beachamwell.

A recent report from PC Button of the Safer Neighbourhood Action Panel (SNAP) listed Beachamwell in the static speed checks. No speeding was captured in these recent checks. The Parish Council continue to look at ways to

tackle speeding in the village and Cllr James is contacting PC Button regarding further speed reduction initiatives.

Date for the next Parish Council meeting is Monday 8<sup>th</sup> November, 7.30pm. It will be held at Beachamwell Village Hall.

## Message from Our Postman

Hope everyone is doing well.

Just an update had my second op in July. Unfortunately it was bigger than anticipated and I actually had 3 hernias in my stomach so the pain has been pretty bad but day by day I will get there.

In more cheerful news Eliza turned 1 a couple of days before my op and both the girls are doing really well. Eliza is now walking very confidently and Matilda has moved into preschool.

Hopefully I'm on the mend and once I can face the car journey we hope to pop to the village for a little walk with the girls see if I can remember where it is.....

Kind regards  
**Michael Dye**

## Village Hall

Wow! A fabulous turn out for the Pop up Pub! I hear it was a great evening. In the future Pop up Pubs will be the 3rd Friday of the month. In September that will be the 17th.

We have been planning ahead! Diaries at the ready...

- Art and Craft Exhibition in aid of Swaffham Home Hospice. Refreshments available Wednesday 1st September 2 -4pm
- Christmas Coffee Morning Saturday 4th December
- Burns Night Friday 21st January 2022
- Queen's Platinum Celebration Big Lunch Sunday 4th June 2022
- Summer Fete provisionally Sunday 4th September 2022

More details will be available closer to each event but I do hope that there is something listed that you will enjoy.

Remember no room hire charges until the end of the year so if you ever wanted to try and get a bridge group or exercise group started now is your opportunity!!

## All Saints' Church

August has been a very busy month! As a church, we have fewer 'life event' services than most, because of the demography of the village as a whole. Weddings, baptisms and funerals are rare, but we will have had one of each within a month by the time you read this. On July 31st, we were delighted to be the venue for the marriage of Helen Payne and Ol Vati, which was postponed from last year. With the lifting of regulations, the church was full of their family and friends and great happiness was spread around. The following day saw the baptism of Phoebe Mote, aged 7 months and the church was once again filled with family and friends. She also has family links to the village and we wish her good health and happiness in her life.

Sadly we had a funeral in August as well, with Brian Burton's funeral on the 27th. Our condolences to his family and friends.

On August 11th I attended the funeral service of Vera Firth at Mintlyn Crematorium. Vera was a good friend to many, full of energy and with many interests. The service was taken by Pippa Blackall and expressed how everyone felt - Vera will be greatly missed.

**Breakfast Church:** It is greatly missed and there is a slot for it in September's services but it is not yet certain if we can go ahead. If you are able to offer help in any way, please contact me or one of the PCC. It would be good to see it start up again.

**Harvest Festival:** We are planning to hold Harvest Festival on Sunday 26th September. Gifts of tinned / packaged food will be donated to the Downham Market Foodbank. Do come along and join us.

**Cycle Ride:** the annual Bike, Walk, Drive in aid of the Norfolk Churches Trust will take place on Saturday 11th September. A portion of the money raised by local participants will come to All Saints' Church. Entry details and sponsor forms are available from the church.

## **Match Report: Boughton CC vs Jesus College, Cambridge [Hugh Jenkins]**

The highlight of our 2021 cricket season so far was the invitational game in July against Jesus College Cambridge's Long Vacation XI. Their team comprised of Dons, Scholars and Fellows of the famous college. We had a change of venue this year to the Fitzwilliam College ground as the Jesus pitch was being excavated to install heat pumps! We hope all will be successfully restored in time for next years' game. The new venue offered a superb wicket and outfield and although rain was expected we didn't see a drop all day.

Jesus College won the toss and chose to bat, starting steadily, restricted by the tight bowling of Boughton CC openers Lee McCarthy (5 overs for 6 runs) and Matt Mills (8 overs for 19 runs). It was Eliot Koopowitz who made the breakthrough with a sharp catch taken by Hugh Jenkins at mid-wicket. With the Jesus College score on 53 after 20 overs the tricky spin of Brynmor Jenkins accounted for opener Rutter, bowled through the gate for 24. Brynmor then followed up with a further wicket, again bowled with a wicked googly. Johnny Jenkins chipped-in with the wicket of the dangerous Edmunds, caught by Matt Mills for 31. James Barrett bowled well, picking up 2 wickets aided by catches from Hugh Jenkins and his good self. When Eliot Koopowitz trapped the 8<sup>th</sup> wicket LBW the Jesus College captain called a halt to the innings, declaring on a formidable total of 177 for 8 wickets from 46 overs.

Following an excellent "tea-in-a-box" kindly provided by Jesus College, it was the turn

of Boughton CC to take to the field for the big run chase. Openers James Barrett & Darren Ebbs got us off to a fantastic start with watchful defence, turning into magnificent stroke play once they sized up the bowlers. Ebbs eventually fell for a

well-earned 20 featuring three 4's and Barrett went on to a masterful half century caught & bowled for 66 featuring ten 4's and a huge 6. James Webb combined well with Barrett and all incoming batsmen to carry his bat for a wonderful 33, providing the middle order glue needed to chase the total. Matt Mills and his dad Martin Mills were unfortunately run out - one in controversial circumstances and the other not. Johnny Jenkins's swash buckled with a couple of 4s, while brother Brynmor played his top innings to date of 18 runs, muscling several 4's to the boundary in his exciting innings with Webb. Standout bowler for Jesus College was Elabbadi with 4 wickets for 33 runs. The game reached a dramatic conclusion. With only 4 needed to win and Boughton with 8 wickets down, father & son "Team Koopowitz" brought home the victory to Boughton with a sizzling 4 from Phil to win the game in the 40<sup>th</sup> over with 7 minutes of play left on the clock!!

As ever, we are grateful to our kind host Dr. Sybil Stacpoole at Jesus College for inviting us over to play annually. A wonderful fixture, capped off by this dramatic game.

## **Wereham Parish Council**

**Next Meeting Date – Tuesday 14 September 2021 at 7.00 pm** (To be held in the St Margaret's Church, St Margaret's Hill, Wereham pending covid safety – check Agenda on Website for the most up to date meeting details, if deemed unsafe the meeting will be cancelled). The Church will be the venue for Parish Council meetings for the rest of 2021 until further notice whilst we air on caution in social distancing ourselves during the meeting, the room at the Village Hall that is usually used for meetings is not of the right size and the main hall has ongoing activities planned.

Agenda items must be received before the end of the month prior to each meeting, items received after this time will not be possible to discuss. Please send to the Parish Clerk at [werehampc@gmail.com](mailto:werehampc@gmail.com). The Agendas for meetings are always published on the Wereham Village Notice Board three clear days before the meeting, and notified via the Wereham Parish Council Facebook Page and on the website [www.werehamparishcouncil.co.uk](http://www.werehamparishcouncil.co.uk) You will also find minutes of all meetings here too.

**Wereham Village Sign** – This was due to be refurbished as the design currently is. But the Parish Council wish to revisit this at their September meeting and discuss the current design and whether there should be something different or new considered. If you have any thoughts or ideas that would help the Parish Council's discussions please either attend the meeting or email the Council [werehampc@gmail.com](mailto:werehampc@gmail.com)

**Budget 2022/23** – The Council will be considering the budget for 2022/23 from September until when they approve in January. If you have ideas or anything you think should be considered please attend a meeting to share or email the Clerk on [werehampc@gmail.com](mailto:werehampc@gmail.com).

**Highways – Paths and Roads – Defects** Please report anything that you see verges, trees, pot holes, main holes, drains to **Norfolk County Council Highways** via their defects page of their website. You need to set up a login, and once on the site you can easily report issues and upload pictures of the issue. They will then arrange inspection. You are also able to track the report. The Parish Council will report issues that it finds, but if residents do this also we can increase the repairs that we need doing. <https://apps.norfolk.gov.uk/HighwaysDefect/>

## Volunteers Home Needed! START

Support and friendship  
for Families

**Do you remember those early years?.....  
Sleepless nights, tantrums & teething.**

If you have parenting experience Home-Start Swaffham & District would love to hear from you. We have families waiting for support and all we ask is for a couple of hours a week commitment. We offer a prep course accredited through the Open College Network which takes place one day a week for 10 weeks. Term time 10am-2pm.

So, if you think you can make a difference to a family needing a little help call us today to find out more.

Volunteers will be subject to an enhanced CRB check. We are also looking for trustees, for more info contact us on:
