Parish Meeting for the Parish of

Receipts from and Payments out of Loans

AND

Statement as to Outstanding Loans.

Year ended the 31st March, 19 .

NOTE.—The Local Government Board, in their Circular of the 21st March, 1911, accompanying their Order of the 20th March, 1911, under which this part of the Form of Financial Statement is prescribed, observed as follows:—

"The Order provides that, where the Adoptive Acts are not in force in a Parish, or where there are not any loan transactions, the Form may be modified by the omission from the Financial Statement of all references to those Acts or of the Parts relating to 'Receipts from and payments out of Loans' and the 'Statement as to Outstanding Loans' as the circumstances require. The Board think that in cases where there are no transactions under the Adoptive Acts or as to Loans, the Parts of the prescribed Form relating to such transactions should be omitted from the forms of the Financial Statement used."

In order to meet the above recommendation, the Parts of the Financial Statement, which relate to "Receipts from and Payments out of Loans" and "Statement as to Outstanding Loans," have been printed on a separate sheet from the rest of the Financial Statement. Where there are no transactions of receipt and payment in respect of Loans obtained by the Parish Meeting and there are no such loans outstanding, the sheet may be detached from the rest of the Financial Statement.

The necessary verbal alterations should also be made in the remainder of the Financial Statement, as directed by the notes printed therein.
