

1945.

The Annual Parish meeting was held in the Council School on Monday April 17 at 7 PM due notice having been placed on the doors of both places of worship.

Present; Mr E Marks Mr R. G. Robinson and Mr H Hall

The minutes of the last meeting were read and confirmed.

Mr Hall said that Mr F Stimpson of Broughton Fen had complained about so much water near to their houses during this last winter. He suggested that a drain be put under the road from a small pit on the right hand side of fen road a little way past Mr Marks's common gate. Mr Marks thought the drain should go underneath the road at Eastmoor corner.

Mr Marks proposed that Mr Hall write to the Rural District Council and complain about this nuisance also about the ~~delap~~ untidy state of the wire fencing on the edge of the pond near the road.
